THE MEDICAL PRACTICE ACT OF WISCONSIN

Sec. 1435. BOARD OF MEDICAL EXAMINERS: The governor shall appoint a board of medical examiners to be known as the "Wisconsin State Board of Medical Examiners," consisting of eight members. Such appointments shall be made from separate lists presented to him every second year, one list of ten names presented by the Wisconsin State Medical Society, one list of ten names presented by the Homeopathic Medical Society of the State of Wisconsin, one list of ten names presented by the Wisconsin State Eclectic Medical Society, and one list of five names presented by the Wisconsin State Osteopathic Association. In case any of said societies or associations fail to present such list of names, the governor may fill vacancies in the board by appointment from the last list filed by such association or society previous to the occurrence of such vacancy. The appointment of each member of said board shall be for the term of four years and until his successor is appointed and qualified; the proportion of the different schools of medicine, as herein provided, shall be preserved. No instructor, stockholder, member of, or person financially interested in any school, college or university having a medical department, or of any school of osteopathy, shall be appointed a member of said board. Three members of said board shall be allopathic, two shall be homeopathic, two eclectic and one osteopathic, and all shall be licentiates of said board, and no member shall serve for more than two consecutive terms, provided nothing contained in this Act shall be construed as terminating or in any manner interfering with the term of any member of the present State Board of Medical Examiners, but each of said members shall serve out his present term as a member of said board.

Sec. 1435a. EDUCATIONAL REQUIREMENTS: 1. All persons, other than those not possessing a license or certificate of registration to practice medicine, surgery, or osteopathy, desiring, undertaking or attempting in this state to practice medicine, surgery or osteopathy, or any other form or system of treating bodily or mental diseases, ailments, infirmities or injuries of human beings, after the passage and publication of this Act, shall apply to said board at the time and place designated by the board, or at any regular meeting thereof, for a license or certificate of registration authorizing such practice, and shall present to such board at the time of so applying satisfactory evidence of having completed a preliminary education equivalent to graduation from an accredited high school of this state; and all persons so applying for a license to practice medicine or surgery after the first day of January, 1919, shall, in addition to such preliminary education equivalent to graduation from an accredited high school of this state, present satisfactory and competent evidence of having completed a two years' college course in physics, chemistry, biology and either German or French, the equivalent of a two years' premedical course at the University of Wisconsin.

The fee for examination shall be fixed by the board, but shall not exceed twenty dollars in such case, with five dollars additional for the license or certificate of registration, if issued. Such fee or fees shall be paid by the applicant to the treasurer of the board at the time of making application for examination.

The Wisconsin State Board of Medical Examiners may revoke the license of any nurse who has been convicted of unprofessional or dishonorable conduct. Said Wisconsin State Board of Medical Examiners shall have power to revoke any certificate of registration granted by them if said certificate was obtained through error or fraud, or if the recipient thereof is shown to be grossly incompetent in the practice of nursing, and, provided further, that before any certificate shall be revoked, the holder thereof shall have notice in writing, enumerating the charges against her, and at a specific date named therein, not less that five days after the service of such notice, be given a hearing by said board and have an opportunity to produce testimony in her own behalf and confront the witnesses testifying in said matter. Any person whose certificate has been revoked for gross incompetency may, after the expiration of one year, apply to have the same regranted, and the same shall be regranted her if in the discretion of said board they deem it proper.

Any person beginning the practice of, or attempting, undertaking or holding himself out as being authorized to practice medicine, surgery or osteopathy without having a license so to practice, or any other form or system of treating the afflicted without having a certificate of registration authorizing such practice, and any person violating any of the provisions of this section and of Sections 1435a to 1435g, inclusive, of the statutes, shall be guilty of a misdemeanor and upon conviction thereof shall be punished by a fine of not less than one hundred dollars, nor more than five hundred dollars, or by imprisonment in the county jail for not less than sixty days nor more than one year, or by both such fine and imprisonment.

Sec. 1435i. LIABILITY FOR MALPRACTICE; CONVICTION FOR CRIME: Any person practicing medicine, surgery, osteopathy, or any other form or system of treating the afflicted without having a license or a certificate of registration authorizing him so to do, shall not be exempted from, but shall be liable to all the penalties and liabilities for malpractice; and ignorance on the part of any such person shall not lessen such liability for failing to perform or for negligently or unskilfully performing or attempting to perform any duty assumed, and which is ordinarily performed by licensed medical or osteopathic physicians or practitioners of any other form or system of treating the afflicted. If any person licensed or registered by said board, shall be convicted of any crime, committed in the course of his professional conduct, the court in which such conviction is had shall in addition to any other punishment imposed pursuant to law revoke such license or certificate. No person practicing medicine, surgery or osteopathy without having a license so to practice, or any other form or system of treating the afflicted without having a certificate of registration authorizing such practice, shall have the right to collect by law any fees or compensation for the performance of any professional services, or to testify in a professional capacity as a medical or osteopathic physician or practitioner of any other form or system of treating the afflicted, or as an insanity expert in any case; provided, that nothing herein contained shall be construed as forbidding any court in a criminal action, in its discretion, receiving the testimony of any person as an expert witness; provided, further, that the practitioners in medicine, surgery or osteopathy licensed in other states may testify as experts in this state when such testimony shall be necessary to establish the rights of citizens or residents of this state in a judicial proceeding when expert testimony of licensed practitioners of this state sufficient for the purpose is not available.

Sec. 1435j. EXEMPTIONS: The provisions of Sections 1435a to 1435j, inclusive, shall not apply to commissioned surgeons of the Army and Navy, or of the Public Health Service of the United States, or to medical or osteopathic physicians of this state or to the gratuitious prescribing and administering of family remedies or treatment rendered in an emergency. No certificate of registration granted by the Wisconsin State Board of Medical Examiners shall be considered the equivalent of or a substitute for a license granted by said board.

Sec. 1436. POWERS AND DUTIES OF BOARD; RECIPROCITY: The Wisconsin State Board of Medical Examiners shall have the power and it shall be its duty:

1. To elect annually, at its June meeting, from its members a president and a secretary and treasurer. The president and secretary may administer oaths. Said board shall hold regular meetings on the second Tuesday in each January at Madison and on the last Tuesday of each June at Milwaukee, and such other meetings at such other times and places as it may from time to time determine.

2. To have a common seal and to keep a record of all its proceedings and a register for all applications for licenses and for certificates of registration and to keep such other books and registers as shall sufficiently show and make a record of the proceedings of the board at its regular and other meetings.

3. To require the secretary to furnish to the board such bond as it may from time to time direct, said secretary to be the custodian of all fees and funds coming into the hands of the board and turn into the state treasury all such fees and funds, to constitute an appropriation for said board to carry into effect the powers, duties and functions provided by this Act for the said board.

4. To employ a licensed attorney as counsel for the board, whose duty it shall be to attend the meetings of the board, to advise the members on questions of law and to assist said board in performing its duties and powers, and to employ such other agents and assistants as may be necessary efficiently to carry out and administer the provisions of Sections 1435a to 1435j, inclusive.

5. To make such rules and regulations and to require the filling out of such blanks by applicants as it may deem necessary in order to ascertain the true character and qualifications of an applicant for license or for a certificate of registration and to refuse, in its discretion, to grant a license or a certificate of registration to any person who does not furnish satisfactory proof of good moral and professional character and who is not at least twenty-one years of age.

6. To license without an examination any person holding a license from any board or officer of any other state authorizing such person to practice medicine, surgery or osteopathy in such state, if such board or officer under the laws of such state imposes requirements equivalent to those established by the laws of this state, and such person presents such license together with a diploma from a reputable medical or osteopathic college, provided such person pays a fee to be fixed by the board at not to exceed fifty dollars. Any honorable discharged surgeon of the Army or Navy or of the Public Health Service of the United States may be granted a license without examination by the board, by filing a sworn and properly authenticated copy of his discharge and paying a fee of fifty dollars.

7. To fix the compensation to be paid the members of said board, such compensation not to exceed the sum of ten dollars for each day actually spent in attending to the business of the board and the actual and necessary expenses of such members. All compensations and legitimate and necessary expenses incurred by the members, employes and the attorney of the board shall be paid from the fees and moneys received by said board and paid into the state treasury as an appropriation for said board.

8. To fix the salary of the secretary at a sum not to exceed one thousand dollars per year and make a report of its proceedings to the governor on June thirtieth of each year, such report to include a detailed statement of the moneys received and paid into the state treasury by the board.

9. To investigate all complaints in regard to the violation, noncompliance with or disregard of the provisions of Sections 1435a to 1435j, inclusive, and to bring all such cases to the notice of proper prosecuting officers, and to institute prosecutions for such violations, noncompliance, and disregard; and it shall be the duty of the district attorney of the proper county to prosecute all violations of said Sections 1435a to 1435j, inclusive. In such prosecutions and with the consent of the court and the district attorney, the attorney retained by the board may assist the district attorney.

10. To adopt such other rules and regulations as may be necessary efficiently to perform the duties and powers of the board imposed by the provisions of Sections 1435a to 1435j, inclusive.

Sec. 1436a. EXEMPTIONS AS TO CHRISTIAN SCIENCE: None of the provisions of this Act or the laws of this state regulating the practice of medicine or healing shall be construed to interfere with the practice of Christian Science or with any person who administers to or treats the sick or suffering by mental or spiritual means, nor shall any person who selects such treatment for the cure of disease be compelled to submit to any form of medical treatment.

Sec. 1436b. CONSTRUCTION OF WORDS PHYSICIAN, SURGEON, AND OSTEOPATH: Wherever either the words physician, surgeon or osteopath are used in the statutes of the state of Wisconsin, they shall be construed to mean and include any and all persons holding a license or certificate of registration to practice either medicine, surgery or osteopathy and to no others.

Sec. 1436c. REVOCATION OF LICENSE: It is hereby made the duty of the Wisconsin State Board of Medical Examiners to refuse to license or grant a certificate of registration to any person guilty of immoral, dis-

honorable or unprofessional conduct. The circuit courts of this state are hereby vested with jurisdiction and power to revoke and annul any license or certificate of registration which has been heretofore or which may be hereafter issued to any person to practice medicine or surgery, or osteopathy in this state, who is guilty of immoral, dishonorable or unprofessional conduct, or who has procured such license or certificate of registration by fraud or perjury, or where the same was obtained through error. Upon a verified complaint in writing being made by any person to the district attorney of any county charging any person holding such license or certificate with having, in said county, been guilty of any immoral, dishonorable or unprofessional conduct, as defined in Section 1436f, or with having procured such certificate or license by fraud or perjury, or through error, said district attorney shall commence and prosecute an action in the circuit court of said county against the person so complained against, to revoke and annul such license or certificate of such person. Such action shall be commenced and prosecuted as a civil action in the name of the state of Wisconsin as plaintiff, and against such person complained against as defendant, and the rules of pleading, evidence and practice in civil actions in the circuit court shall be applicable thereto, and either party may appeal from the circuit court to the supreme court as in other civil actions. Either party to said action may demand a jury trial, and the defendant shall have the right to be represented by counsel and the court may appoint counsel to assist the district attorney in the prosecution of such action. The costs of such prosecution shall be paid by the county in which said action is brought. If, upon the trial of such action, the court finds or the jury returns a verdict in favor of the plaintiff, judgment shall be rendered revoking and annulling such license and certificate of the defendant, and the clerk of the circuit court shall forthwith cause a certified copy of such judgment to be sent to the secretary of the Wisconsin State Board of Medical Examiners to be filed for record in the office of said secretary. Any person whose license or certificate has been revoked under the provisions of this section, who shall thereafter practice or offer to attempt to practice medicine, surgery or osteopathy in this state, shall be punished as provided in Sections 1435 to 1436, inclusive. No person shall be excused or privileged from testifying fully under oath or producing evidence, documentary or otherwise, in any action, proceeding or examination brought under the provisions of Sections 1436e and 1436f; but no person shall be prosecuted or subjected to any penalty for or on account of any transaction, matter, or thing, concerning which such person may so testify or produce evidence, documentary or otherwise, except for perjury committed in giving such testimony. If the court before which the trial is had shall determine that the complaint made to the district attorney was wilful and malicious and without probable cause, it shall enter judgment against the person making such complaint for the costs of such action, and payment of the same may be enforced by execution against the body of such complaint as in tort actions.

Sec. 1436f. SEXUAL DISEASES; UNPROFESSIONAL TO ADVERTISE CURES: The words "immoral, dishonorable or unprofessional conduct" as used in section 1436e are hereby declared to mean: First, procuring, aiding or abetting a criminal abortion. Second, advertising in any manner either in his own name or under the name of another person, firm or pretended firm, corporation or pretended corporation, in any newspaper, pamphlet, circular, or other written or printed paper or document the curing of venereal diseases, the restoration of "lost manhood," the treatment and curing of private diseases peculiar to men or women, or the advertising or holding himself out to the public in any manner as a specialist in diseases of the sexual organs, or diseases caused by sexual weakness, self-abuse or excessive indulgences, or in any disease of a like nature or produced by a like cause, or the advertising of any medicine or any means whatever whereby the monthly periods of women can be regulated or the menses reestablished, if suppressed, or being employed by or in the service of any person, firm or pretended firm, association, corporation or pretended corporation, so advertising. Third, the obtaining of any fee, or offering to accept a fee on the assurance or promise that a manifestly incurable disease can be or will be permanently cured. Fourth, wilfully betraying a professional secret. Fifth, indulging in the drug habit. Sixth, conviction of any offense involving moral turptitude.

THE PRACTICE OF MIDWIFERY

Sec. 1436f-12. APPLICATION AND REGISTRATION OF MIDWIVES: All persons hereafter commencing the practice of midwifery, in any of its branches, in this state shall apply to the State Board of Medical Examiners at the time and place designated by said board, or at any regular meeting thereof, for a certificate of registration so to practice, and shall present to said board a diploma from a reputable college or school of midwifery and submit satisfactory evidence of good moral and professional character. A college or school of midwifery to be deemed reputable by said board shall be a training school for midwifery connected with a reputable hospital or sanitarium, giving a course at least twelve months in the science and practice of midwifery and giving its students practical experience in at least twenty cases of confinement.

Sec. 1436f-13. EXAMINATION: All applicants for a certificate of registration under the provisions of Section 1435f-12 shall submit to a written examination in the following branches: Anatomy of the female pelvis; anatomy and physiology of the organs contained in the female pelvis; symptoms, diagnosis, physiology and complications of pregnancy; diagnosis, course and management of labor and care of mother and child for the first ten days succeeding childbirth. Such examination shall be prepared and conducted by a committee of three members of said board appointed by the president.

Sec. 1436f-14. CERTIFICATES OF REGISTRATION, WHEN GRANTED: After examination, as hereinafter provided, the board shall, if it find the applicant qualified, grant a certificate of registration to said applicant, which certificate shall be granted only by the consent of at least six members of said board and which, after the payment of the fees hereinafter provided shall be signed by the president and secretary thereof, and attested by the seal thereof.

Sec. 1436f-15. SCOPE OF ACT: Sections 1435f-12 to 1435f-24, inclusive, shall not be construed to affect duly licensed or registered physicians, surgeons, or osteopaths, nor shall it prohibit the rendering of service in cases where a licensed physician, surgeon or registered midwife cannot be secured in time for a delivery, gratuitous services in cases of emergency, nor to affect any person who has been engaged in the reputable practice of midwifery in this state for at least one year prior to the passage and publication of this Act and who shall obtain from the State Board of Medical Examiners a certificate of registration as hereinafter provided.

Sec. 1436f-16. WHO REQUIRED TO HAVE CERTIFICATES AND HOW SECURED: Every person practicing or claiming to practice midwifery within this state shall within six months after the passage and publication of this Act make written application to the State Board of Medical Examiners for registration, such application to be made upon blanks prepared and furnished by said board. Every person so applying shall furnish evidence of good moral and professional character, such good moral and professional character to be attested by the oath of two reputable licensed physicians or surgeons and one responsible layman, preferably a clerygman. No certificate of registration shall be issued unless the evidence of good moral and professional character of the applicant is satisfactory to the board, and unless at least six members of said board consent to the issuance of such certificate.

Sec. 1436f-17. FEES: The fee for the examination provided herein shall be ten dollars in each case, with five dollars additional for the certificate issued. The fee in each case shall accompany the application and shall be paid to the treasurer of the board.

Sec. 1436f-18. POWER OF BOARD TO MAKE RULES: The State Board of Medical Examiners shall have the power to make such rules and regulations governing the examination and registration required in sections 1435f-12 to 1435f-24, inclusive, as it may be necessary in order to ascertain the true character and qualification of an applicant for a certificate of registration.

Sec. 1436f-19. RECORDING OF CIRTIFICATES: Every person receiving the certificate provided for in sections 1435f-12 to 1435f-24, inclusive, shall forthwith register the same with the register of deeds of the county in which said person resides, or practices, except midwives who reside or practice in cities of the first class. In such cities the midwives shall register the certificate with the registrar of vital statistics in cities of the first class, and pay to such register of deeds, or registrar of vital statistics in cities of the first class a fee of fifty cents for recording the same, and said register of deeds or registrar of vital statistics in cities of the first class shall enter a memorandum thereof giving the date of said certificate, the name and residence of the person to whom it was issued and the date of such recording, in a book to be provided and kept for that purpose. Any person who shall fail to record his or her certificate as provided for in sections 1435f-12 to 1435f-24, inclusive, shall not exercise any of the rights and privileges granted by such certificate.

Sec. 1436f-20. LIMITATION OF PRACTICE: Persons securing the certificates of registration provided for in sections 1435f-12 to 1435f-24, inclusive, shall be permitted to practice midwifery within this state, but such practice does not include at any childbirth the use of any instrument, except instruments necessary to sever the umbilical cord, nor the assisting of childbirth by any artificial, forcible or mechanical means, nor the performance of any version nor the removal of adherent placenta, nor the administering, prescribing, advising or employing in childbirth of any drug, herb, or medicine other than disinfectant and ergot after redelivery of the placenta.

Sec. 1436f-21. PRACTICE OF MEDICINE PROHIBITED: Nothing in sections 1435f-12 to 1435f-24, inclusive, shall be construed as conferring on any midwife the authority to practice medicine or surgery or osteopathy, or to assume any title or designation tending to show that he or she is a practitioner of medicine or is by law recognized as a medical practitioner, or that he or she is authorized to grant any medical certificate or any certificate of death.

Sec. 1436f-22. (This section is not repeated because it is identical with 1436e, except that it refers to the practice of midwifery instead of to the practice of medicine, surgery and osteopathy.)

Sec. 1436f-23. DEFINITION OF TERMS: The words "immoral, dishonorable or unprofessional conduct" as used in section 1435f-22 are hereby declared to mean: First, procuring, aiding or abetting a criminal abortion; second, advertising either in his or her own name or in the name of another person, firm, association or corporation in any newspaper, pamphlet, or other written or printed paper or document, in any obscene manner derogatory to good morals, or the advertising of any method or means whereby the monthly period of women can be regulated or the menses reëstablished if suppressed, or being em-

ployed by or in the service of any person, firm, association or corporation so advertising; third, indulging in the drug habit; fourth, conviction of any offense involving moral turpitude.

Sec. 1436f-24. PENALTY FOR VIOLATIONS: Any person practicing midwifery as defined in sections 1435f-12 to 1435f-24, inclusive, without having obtained the certificate herein required or whose certificate has been revoked or annulled, or any person who shall undertake to practice midwifery in violation of any provision of sections 1435f-12 to 1435f-24, inclusive, shall be guilty of a misdemeanor, and upon conviction thereof shall be punished by a fine of not less than twenty-five dollars nor more than one hundred dollars for each offense, or by imprisonment in the county jail for a term not exceeding six months, or by both such fine and imprisonment.

MEDICAL PRACTICE ACT OF WYOMING

An Act

To Amend and Reenact Chapter 5, Division 1, Title XVI, Revised Statues of 1899, Relating to the State Board of Medical Examiners.

Be it enacted by the Legislature of the State of Wyoming:

Section 1. APPOINTMENT OF BOARD: The governor, by and with the consent of the senate, shall appoint five regularly licensed physicians of the state of Wyoming, who shall constitute the State Board of Medical Examiners, and who shall hold office for a term of four years. Any vacancy which may occur in said board from any cause shall be filled by appointment by the governor, and the physician so appointed shall hold his office until the expiration of the term.

Sec. 2. ORGANIZATION: The members of the said board of Medical Examiners shall meet and organize within thirty days after their appointment by taking an oath faithfully to discharge the duties of their office, which oath shall be filed with the secretary of state, and by the election of a president, a vice-president and a secretary. They shall provide such blanks and certificates as are necessary to eomply with the provisions of this Act and an appropriate seal, which shall be attached to all official papers issued by the said board, and they shall from time to time adopt such rules and regulations as shall be deemed necessary in the performance of their duties consistent with the requirements of this Act.

Sec. 3. DUTIES: It shall be the duty of the said board to pass upon the qualifications and determine the fitness of all persons who may desire to practice medicine, surgery and obstetrics, or who may publicly profess in any manner to assume the responsibility of the care or treatment of disease, injury or deformity of human beings in the state.

Sec. 4. REQUIREMENTS: Every person wishing to practice medicine in any of its departments in this state shall possess the qualifications required by this Act. He shall be a graduate from a regularly chartered college of the system which he claims to practice. Such college must be recognized by the State Board of Health or the State Board of Medical Examiners of the state in which it is located. He shall give evidence of the fact that he is a person of good moral character and that he shall not be the victim of such habits as shall cause him to endanger the lives of those entrusted to his care. He shall present his diploma to the State Board of Medical Examiners for verification as to its genuineness. Said certificate shall consist in the affidavit of the holder of the diploma that he is the lawful possessor of the same and that he is the person therein named. Such affidavit may be taken before any person authorized to adminster oaths, and the same shall be attested under the hand and seal of such officer. He shall appear before the State Board of Medical Examiners in person at a time and place appointed, and shall pass an examination sufficiently strict to test his qualifications as a practitioner. Said examination may be in whole or in part in writing. It shall be of an elementary and practical character, and shall be upon the following subjects: Anatomy, physiology, chemistry, toxicology, pathology, physical diagnosis, gynecology, the principles of surgery, obstetrics, hygiene and bacteriology. He shall further be required to pass an examination in such branches as are necessary to complete the system of which he is a practitioner. If the applicant is a practitioner of any school or system not represented in the membership of the board the board shall have authority to call a regularly licensed practitioner of that system to assist in the examination. The practitioner thus called shall receive a compensation of $5 for each person examined. An average grade of 75 per cent. in all branches of the examination shall be required; provided, that the applicant shall not pass lower than 60 per cent. in any one branch. Said examination shall be conducted by and under the supervision of the secretary of the board, with such assistance from the other members as shall be agreed upon by them. Said examination shall be held at stated periods to suit the convenience of the board and applicants; provided, that not more than four examinations shall be held in any one year.

The president and secretary of the State Board of Medical Examiners shall issue certificates to all persons who successfully pass said examination, and such certificates, after being duly recorded as hereinafter provided, shall be deemed license to practice medicine in all branches in which the applicant has taken examination in this state. No application for license to practice medicine in this state shall be rejected because of adherence to a particular school of practice. All persons who are licensed practitioners in this state prior to the passage of this Act shall be exempt from its requirements.

Sec. 5. APPLICATIONS; FEES: The State Board of Medical Examiners shall receive, through its secretary, applicants for certificates and examinations. A fee of $25 shall accompany each application. Should the applicant fail to pass the examination he may present himself at any time within a period of one year for another examination without the payment of an additional fee.

Sec. 6. ADMISSION WITHOUT EXAMINATION: Said board may, in its discretion, accept and register, upon payment of the registration fee, and without examination of the applicant, any certificate which shall have been issued to him by the Medical Examining Board of the District of Columbia, or of any state or territory of the United States; provided, however, that the legal requirements of such Medical Examining Board shall have been, at the time of issuing such certificate, in no degree or particular less than those of Wyoming at the time when such certificate shall be presented for registration to the board created by this Act; and provided, further, that provisions in this section contained shall be held to apply only to such of said Medical Examining Boards as accept and register the certificates granted by this board without examination by them of the ones holding such certificates.

MEDICAL PRACTICE LAW OF ALASKA

An Act

To regulate the practice of medicine and surgery in the Territory of Alaska, to create a Board of Medical Examiners, to provide for the punishment of violators of the provisions of this Act by fine or imprisonment, and to repeal all laws in conflict with this Act.

Be it enacted by the Legislature of the Territory of Alaska:

Section 1. That from and after the promulgation of this Act no person, excepting those already engaged in practice of medicine and surgery under existing laws, shall practice medicine within the Territory of Alaska, unless such person shall possess all the credentials and qualifications required by this Act.

Sec. 2. BOARD OF EXAMINERS: The governor of Alaska shall appoint a board of examiners, to be known as the Territorial Medical Examining Board, consisting of eight (8) members, two from each of the four judicial divisions of Alaska, who shall be learned and skilled in the theory and practice of medicine and surgery and shall be legal practitioners of medicine and surgery in Alaska. Said members shall be appointed and qualified. In the event that a member is unavoidably prevented from attending a regular meeting of the Board of Examiners, the governor is authorized to appoint a properly qualified physician as substitute examiner to serve pro tem. and with the same duties and responsibilities as the regular member, so unavoidably absent.

Sec. 3. POWERS AND DUTIES OF BOARD: The members of said board shall, before entering upon their duties as such members, take and subscribe an oath to support the constitution and laws of the United States and the Territory of Alaska, and to well and faithfully and without partiality perform the duties of such office according to the best of their knowledge and ability; which oaths shall be filed and preserved for record in the office of the secretary of said board. Said medical board shall elect a president and a secretary-treasurer, from their membership, and shall have a common seal. The president and secretary-treasurer shall have the power to administer oaths. The said Medical Examining Board shall hold their meetings for examination commencing on the first Tuesday of March and the first Tuesday of September of each year; said meetings shall be held at Juneau, Alaska, or at such other place as the board shall designate. Two members of said board shall constitute a quorum for the transaction of all business that may properly come before said board, except the issuance and revocation of licenses.

Sec. 4. RECORDS AND REPORTS; BONDS: The board shall preserve a record of all its proceedings, which record shall show the name, age, place of residence and duration thereof of each applicant for license, the time spent in medical study and where, and the year and school from which degrees were granted; said record shall also show whether applicant was granted a license or rejected, and shall be prima facie evidence of all matters contained therein and may be introduced in evidence in any court having the trial of any of the violations of the law herein created, by the production of a copy of the same under the seal of said board. The said medical board shall report annually to the governor, furnishing an itemized account of all monies received and disbursed, with a complete record of the proceedings of said board for the year preceding; and the treasurer shall furnish a bond to be fixed and approved by the governor and filed in his office. The governor may for cause remove any member of the board at any time. If impracticable, it shall not be obligatory for members residing in another judicial division to attend the meetings of the board.

Sec. 5. APPLICATIONS; QUALIFICATIONS; EXAMINATIONS; Hereafter every person, not now legally practicing medicine or surgery in Alaska, who desires to practice medicine or surgery or either of them in any of their branches, in the Territory of Alaska, shall first make a wrtiten application to the Board of Medical Examiners for a license so to do, which application shall state the name, age and place of residence of the applicant, and the duration thereof, and the time spent in medical study, and where, and the year and school in which degrees were granted, which application shall be sworn to as to its verity before someone authorized to administer oaths. That each applicant for such license shall be not less than twenty-one (21) years of age, shall furnish a certificate of good moral character, and submit a certificate of graduation from a legally chartered medical school whose requirements for graduation shall have been at the time of granting said certificate not less than the requirements of the Association of the American Medical Colleges of the day in which said applicant graduated; and in addition a certificate from a recognized hospital certifying that the recipient has faithfully performed the duties of resident physician or intern for the period of one year, unless he has been a licensed physician engaged in active practice of the profession for a term of four years. Such applicant at the time and place designated by said board, or at the regular meeting of said board, shall submit to an examination in the following branches: anatomy, physiology, chemistry, materia medica, therapeutics, pathology, hygiene, surgery, obstetrics, and such other branches as the board shall deem advisable. Said board shall cause said examinations to be practical and sufficient to test the candidate's fitness to practice medicine and surgery. In grading the answers of said examination the applicant shall be given a credit of 1 per cent. in each subject for each year of actual practice after the first two years. Said examination with the answers thereto shall be in writing and in the English language, and the same shall be preserved and filed of record in the office of the secretary of the board. After examinations, if the same be satisfactory, said board shall grant a license to such applicant to practice medicine and surgery in the Territory of Alaska, which said license can only be granted by and with the consent of not less than five members of said board and each license shall be signed by the secretary and president of said board, and attested by the seal thereof. If said examination shall be unsatisfactory to the board or if the applicant shall fail to pay the fee herein prescribed or shall otherwise fail to comply with any of the other requirements of this Act, the board shall refuse to grant the license.

In all cases where an applicant for a license under this Act shall produce and exhibit to the Board of Examiners a license from a board of medical examiners appointed under the laws of any state of the United States, said board recognizing licenses from this territory and issuing reciprocal licenses therewith, and a certificate to the fact that the said person presenting said license is duly and well qualified to practice medicine and surgery in the states issuing said license, and that said license was issued after a thorough examination to ascertain this fact, he or she may, at the discretion of the Board of Medical Examiners, upon payment of the fee herein prescribed and otherwise complying with all the requirements of this Act receive a license to practice medicine and surgery as if the examination of said applicant was held in Alaska.

Sec. 6. FEES: The fee for such examination shall be twenty-five dollars ($25.00) and shall be paid by the applicant to the secretary-treasurer of said board at the time of making application for examination. The said fee is returnable only in case the applicant is unavoidably prevented from taking the said examination.

Sec. 7. REVOCATION OF LICENSE: Any license now in existence or that may hereafter be issued may be revoked by the board for unprofessional and dishonorable conduct, as hereinafter defined.

Sec. 8. UNPROFESSIONAL OR DISHONORABLE CONDUCT: The words "unprofessional or dishonorable conduct" as used in the last preceding section are hereby declared to mean:

(1) Procuring or aiding and abetting in procuring a criminal abortion;

(2) Habitual intemperance or addiction to the use of morphin, cocain, or other drugs having a similar effect;

(3) Conviction of any offense involving moral turpitude;

(4) Evidence of deceit or fraud in advertising or performing any surgical operation;

(5) Wilfully betraying a professional secret;

(6) Untruthful or fradulent statements in the application or examination, or the practice of deceit or cheating in any manner during the examination for license, or the procuring of a license by deceit or fraud;

(7) NARCOTICS: Committing any of the acts respecting, giving or prescribing narcotics which are prohibited by the federal statute, generally known as the "Harrison Anti-Narcotic Act."

Sec. 9. REFUSING OR REVOKING LICENSE: In any case of the refusal or revocation of a license by the board under the provisions of this Act, the said board shall file a brief and concise statement of the grounds and reasons for such refusal or revocation in the office of the secretary of said board, which said statement, together with the decision of the board in writing, shall remain of record in said office. Before a license can be revoked by said board for unprofessional or dishonorable conduct under the provisions of this act, a complaint of some person under oath must be filed in the office of the secretary of said board charging said acts and facts complained of against the licentiate accused, in ordinary and concise language, and thereupon said board at its discretion shall cause to be served upon said accused licentiate a written notice and copy of such complaint, which said notice shall contain a statement of the time and place of hearing of the matters and things set forth and charged

in said complaint, and said notice shall be served at least sixty days prior to the time of such hearing. Such accused licentiate may appear at such hearing and defend himself against the accusation of such complaint personally or by counsel and may have the sworn testimony of witnesses taken and present other evidence in his behalf at such hearing, and said board shall also have the right to select counsel to prosecute said charges before said board should it deem it necessary to do so. Any witness who is being examined by said board or whose deposition is being taken to be offered as evidence before said board upon the trial of the revocation of any license, who shall swear falsely to any material fact, shall be deemed guilty of perjury and may be prosecuted accordingly.

Sec. 10. REVOCATION OF LICENSE: It is further provided that the above sections in regard to the revocation of licenses to practice medicine and surgery shall apply equally to all persons who are now practicing medicine or surgery, or both, under existing laws.

Sec. 11. RECORDING LICENSE: The persons receiving said license shall, before he or she commences the practice of medicine and surgery, or any of their branches, have the same or a certified copy thereof filed with the clerk of the court in and for the judicial division wherein he or she contemplates the practice of medicine and surgery, and said clerk of the court shall file and preserve said certificate in his office and enter a memorandum thereof, giving the date of said license, the ground upon which the same was issued, with the name and address of the party holding the same, in a book to be provided for that purpose; which certificate and record shall be subject to public inspection. Said clerk shall furnish to the secretary of said board a notice of all such licenses thus recorded. In case a person so licensed shall move into another judicial division of the Territory of Alaska he or she shall have said license, or a certified copy thereof again recorded as above provided in said new division. Proof of failure to have said license, or a certified copy thereof, recorded as herein provided shall be prima facie evidence of a violation of this Act, and shall subject the party to punishment as herein provided.

Sec.12. In case of failure at any final examination, the applicant shall have, after the expiration of six months and within two years, the privilege of a second examination by the board without the payment of additional fee. In case of failure in a second final examination, the applicant must enter de novo and only after a year of post-graduate study approved by the board, and must qualify under the conditions obtaining at the time of the second application.

Sec.13. PENALTIES: Any person practicing medicine or surgery or any of their branches within the Territory of Alaska without first having obtained and had filed a license as provided for in this Act, or contrary to the provision of this Act, shall be deemed guilty of a misdemeanor and upon conviction thereof shall be fined not less than fifty dollars nor more than one hundred dollars, or imprisoned in jail not less than ten days nor more than ninety days, or by both such fine and imprisonment. In all prosecutions under this Act, evidence that the defendant has failed to file a license with the clerk of the court as herein required shall be prima facie evidence that the defendant is not a legally licensed practitioner. And each day of such illegal practice shall be deemed a separate offense under this Act.

Sec. 14. DEFINITION OF "MEDICAL PRACTICE": Any person shall be deemed as practicing within the meaning of this Act, who shall have and maintain an office or place of business for the purpose of treating the sick or injured for pay, or who shall publicly display his or her name and words "Physician" or "Surgeon" "M.D." "Dr." or "Doctor", in public view, or shall assume or advertise any title which shall show or tend to show that the person assuming or advertising the same is willing or qualified to treat the sick or injured, or who for a fee shall prescribe, direct, or recommend for the use of any person, any drug or medicine for the treatment, cure or relief of any disease, infirmity, bodily injury, or defect. In case of the revocation of any license by said board, the fact of revocation shall be certified by the secretary of the board to the clerk of the court where said license, or a certified copy thereof, is on file, and the clerk shall thereupon endorse upon the face of said license, or a certified copy thereof, the fact of its revocation and the date and by whom revoked, and shall also make a memorandum of the same in the book provided for such record.

Sec. 15. RULES AND REGULATIONS; COMPENSATION; EXPENSES: That the said Medical Board shall have authority to prescribe and establish all needful rules and regulations to carry into effect the provisions of this Act, which rules and regulations shall be written or printed and preserved in the records of the office of the secretary-treasurer. And the members of said board shall each receive for each day actually engaged in the duties of his office as compensation the sum of five dollars, together with all legitimate expenses incurred in attending the meeting of the board. All money collected by the board shall be kept by the treasurer thereof and used to defray the necessary expenses of the board; and any deficit arising shall be paid by the treasurer of the territory upon a warrant drawn by the secretary of Alaska, which warrant shall be issued upon the order of the secretary-treasurer of the said board. But such warrant shall be paid only from a fund specifically appropriated for the purpose, on presentation of an itemized statement from said Medical Board of its receipts and expenditures.

Sec. 16. TEMPORARY PERMIT: That to prevent delay and inconvenience a member of the Board of Medical Examiners may at his discretion grant a temporary permit to an applicant without examination after all the other requirements in Section 5 have been complied with, and the fee for examination has been paid, and such member granting such permit shall within ten days from the date of granting said permit report thereon to the secretary of the board, and send the fee therefor to the treasurer thereof. Such temporary permit shall not continue in force longer than the regular meeting of the board, and shall not be valid in any judicial division other than the one in which it was issued.

Sec. 17. MEDICAL OFFICERS OF UNITED STATES SERVICE: This Act shall not apply to officers in the regular medical service of the United States Army or Navy or the United States Public Health Service while in the discharge of their official duties, or to any one who may be a duly registered practitioner of medicine in any other state, who may be called upon by a registered physician of this territory to consult with him in a case under treatment, or to the practice of the religious tenets of any church.

Sec. 18. PROSECUTION: It shall be the duty of the respective district attorneys to prosecute all violations of this Act in the same manner as other violations of law.

Sec. 19. All laws and parts of laws in conflict with any of the provisions of this Act are hereby repealed.

Approved April 28, 1917.

MEDICAL PRACTICE LAW OF THE TERRITORY OF HAWAII

Section 1068. LICENSE: No person shall practice medicine or surgery in the territory of Hawaii either gratuitiously or for pay, or shall offer to so practice, or shall advertise or announce himself, either publicly or privately, as prepared or qualified to so practice, or shall append the letters "Dr." to his or her name, with the intent thereby to imply that he or she is a practitioner of medicine or surgery, without having a valid unrevoked license, obtained from the treasurer of the territory of Hawaii, in form and manner substantially as hereafter set forth. Such license shall only be granted upon the written recommendation of the Board of Health; provided, however, that licenses to practice osteopathy may be granted to graduates holding diplomas from any legally chartered and regularly conducted school or college of osteopathy; and further provided that a certificate to practice osteopathy has been first obtained from any state board of osteopathic examiners until such time as there is an osteopathic board of examiners appointed for the territory of Hawaii.

And provided, further, that the practice of medicine as contemplated and set forth in this Act shall not be construed to exclude the use of any method or means or any agent either tangible or intangible by any person licensed to practice osteopathy, for the treatment of disease in the human subject; provided, that no person so licensed to practice osteopathy shall, by reason thereof, be authorized to administer drugs or medicines, or to perform any surgical operation. Any person applying for a license to practice osteopathy shall first file with the treasurer a certified copy of such diploma and satisfactory evidence that the applicant is a fit and proper person to be so licensed to practice osteopathy, and file with the president of the Board of Health a certificate from the Board of Osteopathic Examiners certifying that the applicant has passed the required examination, and is entitled to practice osteopathy in that state.

And further provided, that nothing herein contained shall apply to so-called Christian Scientists so long as they merely practice the religious tenets of their church without pretending a knowledge of medicine or surgery; provided that the laws and regulations relating to contagious diseases are not violated.

Sec. 1069. "PRACTICE OF MEDICINE" DEFINED: For the purposes of this chapter the practice of medicine shall be held to include the use of drugs and medicines, water, electricity, hypnotism, or any means or method, or any agent, either tangible or intangible, for the treatment of disease in the human subject; provided, however, that nothing herein contained shall be held to forbid any person from the practice of any method or the application of any remedial agent or measure under the direction or with the approval of a licensed physician; and provided, further, that when a duly licensed physician pronounces a person afflicted with any disease hopeless and beyond recovery and shall give a written certificate to that effect to the person afflicted or his or her attendant nothing herein contained shall be held or construed to forbid any person from giving or furnishing any remedial agent or measure when so requested by or on behalf of such afflicted person.

The provisions of this Act shall not be construed to amend or repeal the law respecting leprosy or segregation.

Sec. 1070. BOARD OF MEDICAL EXAMINERS: No person shall be recommended by the Board of Health for a license to practice medicine or surgery except upon the written report of a Board of Medical Examiners, to be appointed and constituted as in this chapter provided, setting forth that the applicant named therein has been duly examined and found to be possessed of the necessary qualifications.

Sec. 1071. APPOINTMENT; REMOVAL; QUALIFICATIONS: For the purpose of carrying out the provisions of this chapter the governor is authorized and directed to appoint in the manner prescribed in Section 80 of the organic act, a Board of Medical Examiners, whose duty it shall be to examine all applicants for license to practice medicine or surgery, and to report the result of such examination to the Board of Health.

Such Board of Medical Examiners shall consist of three persons, all of whom shall be licensed physicians or surgeons under the laws of this territory. The appointments, unless to fill out unexpired terms, shall be for three years, subject, however, to removal by the governor in the manner prescribed in Section 80 of the organic act. The members of the Board of Medical Examiners shall serve without pay.

Sec. 1072. FEE: No applicant for a license to practice medicine or surgery shall be examined until he shall have paid to the treasurer of a fee of $10.

Sec. 1073. FORM OF LICENSE: The form of license to practice medicine and surgery shall be substantially as follows:

....., a native of ..... aged..... years, having been duly examined by the Board of Medical Examiners, and having been recommended by the Board of Health as possessed of the necessary qualifications, is hereby licensed to practice medicine and surgery in the territory of Hawaii.

This license is granted and accepted on the express condition that it may be revoked at any time for professional misconduct, gross carelessness or manifest incapacity; such misconduct, carelessness or incapacity having been proven to the satisfaction of the Board of Health, and by that body reported to the treasurer.

Given under my hand and the seal of the Department of the Treasury this ..... day of ....., A. D. .....
(Signed) .....
Treasurer.

Sec. 1074. PENALTY: Any person who shall practice medicine or surgery in the territory of Hawaii, or who shall offer or attempt to so practice, or shall advertise or announce himself, either publicly or privately, as prepared or qualified to so practice, contrary to the provisions of Section 1068, shall be guilty of a misdemeanor, and shall be liable on conviction to a fine of not more than $250, in the discretion of the court.

Sec. 1075. REVOCATION OF LICENSE: Licenses to practice medicine and surgery may be revoked by the treasurer at any time for professional misconduct, gross carelessness or manifest incapacity; such misconduct, carelessness or incapacity having been proven to the satisfaction of the Board of Health, and by that body reported in writing to said treasurer. In case any license is revoked for any of the causes named in this section, the holder thereof shall be immediately notified of such revocation in writing by the treasurer.

Sec. 1076. NOTICE; HEARING: In case of an alleged misconduct, carelessness or incapacity on the part of any holder of a license to practice medicine or surgery, the person so charged shall be notified in writing of the charge or charges that have been made, and of the time and place when and where evidence in support of the same will be heard, and shall have the opportunity to present evidence and be heard in his own defense.

Sec. 268. PHYSICIANS, EXECUTION EXEMPT: The following described personal property shall be exempt from attachment, execution, distress and forced sale of every nature and description:

PHILIPPINE ISLANDS MEDICAL LAW

Administration Code of 1917 (Act No. 2711). Approved March 70, 1917. Effective Oct. 1, 1917.

Section 758. This chapter shall be known as the Medical Law.

ARTICLE 1.—ORGANIZATION OF THE BOARD OF MEDICAL EXAMINERS.

Sec. 759. THE BOARD OF MEDICAL EXAMINERS: The Board of Medical Examiners shall consist of three practicing physicians to be appointed by the Department Head. Each of the appointees shall be a graduate of some legally chartered and reputable Medical School, College or University and shall hold the degree of doctor or licentiate of medicine.

No physician shall be eligible for appointment upon said board who is a member of the faculty of any school, college or university where any branch of medicine is taught or who has any pecuniary interest in such an institution.

Sec. 760. THE FUNCTION AND DUTIES OF BOARD: The Board of Medical Examiners is vested with authority, conformably with the provisions of this chapter, to issue and revoke certificates of registration for medical practitioners. The board shall study the conditions affecting the practice of medicine in all parts of the Philippine Islands and shall exercise the powers herein conferred upon them with a view to the maintenance of efficient ethical and educational standards among members of the medical profession.

Sec. 761. TERM OF OFFICIALS OF BOARD: Each member of the board shall hold office for a term of three years from the date of his appointment, the terms of the first appointees having been so adjusted that one expires each year. Interim vacancies shall be filled by appointment for the unexpired term only.

Sec. 762. REMOVAL OF MEMBER OF BOARD: The department head may remove any member of the board for continued neglect of duty, incompetency, or for unprofessional or dishonorable conduct, after having given the member concerned an opportunity to defend himself.

Sec. 763. ANNUAL ELECTION OF OFFICERS: At its annual meetings the board shall elect from its members a president and a secretary-treasurer for the current year. The president shall be the chief executive officer of the board.

Sec. 764. DUTIES OF THE SECRETARY-TREASURER: The secretary-treasurer of the board shall keep a record of the proceedings of the board and a register of all persons to whom certificates of registration have been granted, setting forth the name, age, sex and place of birth of each, his place of business, his postoffice address, the name of the medical college or university from which he graduated or in which he has studied, if any, and the date of such graduation, or terms of study, together with the time spent in the study of the profession elsewhere, the names of the countries where the institutions are located which have granted to him degrees or certificates of attendance upon clinics or lectures in medicine and surgery, and all other degrees granted to him from institutions of learning.

Sec. 765. MEDICAL PRACTICE LAW OF PORTO RICO

An Act

Providing for the Organization of a Board of Medical Examiners.

Be it enacted by the legislative assembly of Porto Rico:

Section 1. BOARD OF EXAMINERS: The governor, with the advice and consent of the executive council, shall appoint five learned, skilled and capable physicians, who shall have been residents of the island of Porto Rico for not less than five years preceding their appointment, who shall constitute the board of examiners for the purpose of this Act. The physicians so appointed shall hold their respective offices for five years; provided, that all vacancies occurring shall be likewise filled by appointment by the governor by the advice and consent of the executive council; provided, also, that the first appointments under this Act shall be for the periods of one, two, three, four and five years respectively.

Sec. 2. ORGANIZATION: The Board of Medical Examiners shall procure a seal, and on the first Tuesday of April of each year elect from among their members a president, secretary and treasurer. Three members of said board shall constitute a quorum. The president and secretary shall have the power to administer oaths and the board to take testimony in all matters relative to its duty under the provisions of this Act. The board of examiners shall hold meetings for examinations at the seat of government on the first Tuesdays of April and October of each year, and at such other times and at the same and other places as the board may determine. The board shall keep a record of all proceedings thereof, and also a register of all applicants for a certificate, with the age of the applicant, time spent in the study of medicine, and the name and location of all the institutions granting to such applicant degrees or certificates of lectures attended in medicine or surgery. The register shall also show whether such applicant was rejected, or has received a certificate under this Act; such register shall be prima facie evidence of all the matters therein kept.

Sec. 3. APPLICATION; EXAMINATION; EXEMPTIONS: Every person hereafter wishing to practice medicine or surgery or any of the branches thereof or midwifery in any of their departments in this island, as well as osteopathy or optometry or any of the branches thereof, shall apply to said board for a certificate or license so to do. Applications from said candidates shall be in writing and accompanied by proof that the applicant is a graduate of a medical school or institution in good standing and legally organized, and duly approved by the said board of examiners. If the diploma is found genuine, which fact the said board of examiners shall determine, and if the person presenting and claiming said diploma be the person to whom the same was originally granted, at a time and place designated by said board, or at a regular meeting of said board, said applicant shall be required to take an examination embracing those general subjects and topics, a knowledge of which is commonly and generally required of candidates for the degree of doctor of medicine by respectable medical colleges in the United States. The examination of those who desire to practice midwifery or optometry or any of the branches of medicine and surgery, shall be of such a character as to determine the qualifications of the applicant to practice them. All examinations provided for in this Act shall be conducted under the rules and regulations prescribed by the board, which shall provide for a fair and wholly impartial method of examination. After examination, such board shall, if the candidate has been found qualified, grant a certificate or license to such candidate to practice medicine and surgery or any of the branches thereof or midwifery or optometry or osteopathy in Porto Rico; which said certificate can only be granted by the consent of not less than three members of said board, and which said certificate shall be signed by the president and secretary of said board and attested by the seal thereof; provided, however, that all physicians, osteopathic physicians and surgeons who hold certificates granted by the now existing Board of Medical Examiners shall be exempt from the provisions of this section. And that all those who have been practicing in Porto Rico any of these branches for a period of five years prior to the approval of this Act shall be entitled to continue in the practice of their profession without being subject to the provisions hereinbefore stated.

Sec. 4. REFUSAL; REVOCATION: The board may refuse to grant a certificate on account of unprofessional, dishonorable or immoral conduct. Before a certificate can be refused for such cause the board shall serve in writing upon the applicant a copy of any charge or charges against him, and appoint a day for hearing, at which the applicant or any witness in his behalf may appear and give testimony in refutation of such charges. In case the board after such hearing shall refuse a certificate to the applicant the decision specifically stating the grounds upon which such refusal was made shall be reduced to writing and the copy thereof delivered to the applicant upon demand of the applicant. Upon a like hearing the board may refuse a certificate to any one who may publicly profess to cure or treat disease, injury or deformity in such a manner as to deceive the public. The hearing provided for herein shall take place within twenty days after the service of the copy of the charges upon the applicant, unless further time is granted to the applicant, and the decision of the board shall not be later than ten days after the day of hearing. The board shall have power to revoke a certificate or license in cases of unprofessional, dishonorable or immoral conduct. Before revoking any certificate or license a written complaint specifically stating the charges against the person whose certificate is to be revoked shall be delivered to all the members of the board and a copy thereof be served upon such person twenty days before the time fixed by the board for the hearing of said charges. The board must fix the time, and the person whose license is to be revoked may produce testimony in refutation of such charges. After such hearing the decision of the board shall be specifically stated in writing and a copy thereof delivered, on demand, to the person under charges.

Sec. 5. RECORDING; FEES: Every person obtaining a certificate from the board must, within sixty days from the date thereof, have the same recorded in the office of the secretary of Porto Rico and in the office of the Superior Board of Health. The secretary of Porto Rico and the president of the Superior Board of Health shall endorse upon the certificate the date of record, and charge and receive the usual fees for such services, the fees to be paid by the applicant.

Sec. 6. WITHOUT EXAMINATION; EXEMPTIONS: Applicants who possess diplomas from reputable medical colleges and who have been licensed by state boards, may, upon the payment of a fee of twenty-five dollars ($25), be licensed by the board of examiners without examination, if the said board of examiners so decides. Medical officers serving in the army and navy of the United States or in the United States Public Health Service are exempt from examination, but are required to be registered by the Superior Board of Health and to pay a fee of five dollars ($5).

Sec. 7. VIOLATION; PRACTICE OF MEDICINE DEFINED: Any person practicing medicine or surgery, or any other branches thereof, or midwifery, within the island contrary to the provisions of this Act shall, for each violation of the provisions of this Act, be guilty of a misdemeanor, and upon conviction thereof shall be fined not more than five hundred dollars ($500) nor less than fifty dollars ($50), or by imprisonment for not more than ninety (90) days nor less than thirty (30) days, or by both said fine and imprisonment, as the court may determine. Any person shall be regarded as practicing within the meaning of this Act who shall append the letters M.D. (for Medical Doctor) to his or her name, who shall profess publicly to be a physician or surgeon, or who shall recommend, prescribe or direct for the use of any person any drug, medicine, appliance, apparatus or other agency, whether material or not material, for the cure, relief or palliation of any ailment or disease of the mind or body or for the cure or relief of any wound, fracture or bodily injury, or other deformity, after having received or with the intent of receiving therefor, either directly or indirectly, any bonus, gift or compensation.

Sec. 8. FEES; REEXAMINATION: The fees for examination and for a certificate shall be as follows: Ten dollars ($10) for an examination in medicine and surgery, and five dollars ($5) for a certificate if issued; for all other practitioners five dollars ($5) for an examination and five dollars ($5) for a certificate if issued; for an examination in midwifery five dollars ($5) and three dollars ($3) for a certificate if issued. All fees shall be paid in advance to the treasurer of the Board of Medical Examiners, which fees shall defray the entire expenses of said Board of Medical Examiners. Any one failing to pass the required examination shall be entitled to a second examination within six months without fee. And the moneys so received shall be turned over to the treasurer of Porto Rico by the treasurer of said board, to be by him deposited in the Medical Board Fund, as hereinafter provided.

Sec. 9. COMPENSATION; ANNUAL REPORT: Every member of the board is hereby allowed the sum of five dollars ($5) per day and mileage while in the active and necessary discharge of his duties, and there is hereby established a fund to be known as the Medical Board Fund. The money in such fund shall only be paid out by warrant on said fund on an order drawn by the treasurer of said board, countersigned by the president. The rate of mileage and attendance before said board shall be

5 cents per mile. And the board must report annually on the first Monday of July to the governor, which report must show all the transactions of the board, giving the number of applications received, and from whom received, the number of certificates granted and rejected, and the names of those receiving certificates and those rejected, giving the reasons thereof, the amount of money received, and by whom received, and the amount of money remaining in said fund, and such other information as the governor may require, and the treasurer of said board shall render to the auditor of Porto Rico a monthly account of his receipts and disbursements.

Sec. 10. TRANSFER: After the passage of this bill and the appointment of the board thereunder, the archives and utensils pertaining to the latter sub-delegation of medicine and all documents thereof shall be transferred to the Medical Board of Examiners.

Sec. 11. REPEAL: All laws, acts, orders and parts thereof in conflict with this Act be and the same are hereby repealed.

Sec. 12. This Act shall take effect from and after May 1, 1903.

Approved March 12, 1903.

DOMINION OF CANADA

MEDICAL PRACTICE ACT OF CANADA

CHAPTER 137

An Act to Provide for the Establishment of a Medical Council in Canada.

1-2 George V

CHAPTER 16

An Act to Amend the Canada Medical Act.

Section 1. This Act may be cited as the Canada Medical Act.

Sec. 2. INTERPRETATION: In this Act, unless the context otherwise requires:

(a) "Medicine" shall be held to include surgery and obstetrics, and to exclude veterinary surgery; and "medical" shall be held to include "surgical" and "obstetrical";

(b) "Provincial medical council" includes "provincial medical board" and "college of physicians and surgeons";

(c) "University" shall mean any university which has a teaching medical department in connection therewith, and has the power to grant medical degrees;

(d) "Medical school" includes any institution recognized by a provincial medical council wherein medicine is taught;

(e) "The council" means the Medical Council of Canada constituted under the provisions of this Act;

(f) No retroactive effect shall be given to any provision.

Sec. 3. CONSTRUCTION OF ACT: This Act shall not be construed as authorizing the creation of medical schools or the giving of medical tuition.

Sec. 4. CONSTITUTION OF THE COUNCIL: The persons from time to time appointed or elected or otherwise being, under the provisions of this Act, members of the Medical Council of Canada, are hereby constituted a corporation under the name of the Medical Council of Canada.

Sec. 5. ITS PURPOSE: The purposes of the Council shall be to promote and effect:

(a) The establishment of a qualification in medicine, such that the holders thereof shall be acceptable and empowered to practice in all the provinces of Canada;

(b) The establishment of a register for Canada of medical practitioners, and the publication and revision from time to time of such register;

(c) The determination and fixing of the qualification and conditions necessary for registration, the examinations to be undergone with respect to professional subjects only, and generally the requisites for registration; provided, that the council shall not determine or fix any qualifications or conditions to be complied with as preliminary to or necessary for the matriculation in the study of medicine and for the obtainment of the provincial licenses, these being regulated as heretofore by the provincial authorities;

(d) The establishment and maintenance of a board of examiners for examination and granting of certificates of qualification:

(e) The enactment with the consent and at the instance of the medical councils of the various provinces of Canada, of such provincial legislation as is necessary to supplement the provisions of this Act and to effect the foregoing purposes.

Sec. 6. The council may acquire and hold such real estate and personal property as is necessary or expedient for the purposes of the council or of providing a revenue therefor, and may sell, lease or otherwise dispose thereof; but the annual value of the real estate owned by the council and held for the purposes of revenue only shall not at any time exceed the sum of twenty-five thousand dollars ($25,000).

Sec. 7. COMPOSITION OF COUNCIL: The council shall be composed of:

(a) Three members who shall be appointed by the governor in council, each of whom shall reside in a different province, but until such time as the provinces of Saskatchewan, Alberta and British Columbia shall have been entitled to university representation, two of the three members so appointed shall be chosen from two of these provinces;

(b) Two members representing each province, who shall be elected under regulations to be made in that behalf by the provincial medical council;

(c) One member from each university or incorporated medical college or school in Canada having an arrangement with a university for the conferring of degrees on its graduates engaged in the active teaching of medicine who shall be elected by the university or by such college or school under such regulations as may govern in that behalf;

(d) Three members who shall be elected by the homeopathic practitioners in Canada, each of whom shall reside in a different province.

(2) No one shall be a member of the council unless he

(a) Resides in the province for which he is an appointed or elected member;

(b) Is a duly registered member of the medical profession according to the laws of the province which he represents;

(c) Is duly registered as a medical practitioner in the register established under the provisions of this Act; but this latter qualification shall not be required of any of the members originally composing the council.

Sec. 8. TERM OF OFFICE; RESIGNATIONS: The term of office for members shall be four years.

(2) Any member may at any time tender his resignation by written notice thereof to the president or to the secretary of the council, and upon acceptance of such resignation by the council, the council shall forthwith give notice in writing thereof, in case of an appointed member, to the secretary of state of Canada, and in case of an elected member, to the secretary of the medical council for the province, or to the university, incorporated medical school or college, or if a representative of the homeopathic practitioners resigns, to the remaining homeopathic representatives upon the council.

(3) Any person who is or has been a member may, if properly qualified, be reappointed or reelected; but no person shall at one time serve as a member in more than one capacity.

(4) In the case of members of the council whose term of office is about to expire, successors may be appointed or elected at any time within three months before the expiration of such term; and where any vacancy exists in the membership of the council by reason of any term of office having expired, or otherwise, such vacancy may be filled at any time.

(5) If there has been a failure to elect a member of the council, or to elect a properly qualified member, or to cause the name of the member elected to be certified to the secretary of the council within a reasonable time after such election might have been made, then, after notice from the council, requiring the provincial medical council, or the university, or incorporated medical school or college, or the homeopathic representatives to cause such election to be made and to certify the result thereof to the council within one month from the date of service of such notice, the council may, in case the default continues, itself elect such member.

(6) A member appointed or elected to fill a vacancy caused by death or resignation shall hold office in all respects as the person in whose place he is appointed or elected would have held office, and for the remainder of the term for which that person was appointed or elected.

(7) All members appointed or elected shall continue in office until their successors are appointed or elected, or until the expiration of their term of office if their successors are appointed or elected before the expiration of such term of office.

Sec. 9. OFFICERS OF THE COUNCIL: The council may from time to time

(a) Elect from among its members a president, a vice-president and an executive committee:

(b) Appoint a registrar, who may also, if deemed expedient, act as secretary and treasurer;

(c) Appoint or engage such other officers and employees as the council deems necessary to carry out the objects and provisions of this Act;

(d) Require and take from the registrar, or from any other officer or employees such security for the due performance of his duty as the council deems necessary;

(e) Fix the allowances or remuneration to be paid to the president, vice-president, member, officers and employees of the council.

Sec. 10. MEETINGS: The council shall hold its first meeting at the city of Ottawa, at such time and place as is appointed by the minister of agriculture; and thereafter an annual meeting of the council shall be held at such time and place as is from time to time appointed by the council.

(2) Until otherwise provided by regulation of the council, eleven members of the council shall form a quorum, and all acts of the council shall be decided by a majority of the members present.

Sec. 11. REGULATIONS: The council may make regulations not contrary to law or to the provisions of this Act, for or with reference to all or any of the purposes for which the council is created or established, including, but without limiting, the generality of these powers:

(a) The direction, conduct and management of the council, and of its property;

(b) The summoning and holding of the meetings of the council, the times and places where such meetings are to be held and the conduct of business thereat;

(c) The powers and duties of the president and vice-president, and the selection of substitutes for them if unable to act from any cause at any time;

(d) The tenure of office and the powers and duties of the registrar and other officers and employees;

(e) The election and appointment of an executive committee and of other committees for general and special purposes, the definition of their powers and duties, the summoning and holding of their meetings, and the conduct of business by such committees;

(f) Generally, all fees to be required, paid or taken under this Act;

(g) The establishment, maintenance and effective conduct of examinations with respect to professional subjects only, for ascertaining whether candidates possess the qualifications required; the number, times and modes of such examinations; the appointment of examiners; and generally all matters incident to such examinations, or necessary or expedient to effect the objects thereof;

(h) The admission to examination of holders of diplomas obtained outside of Canada from a medical school recognized by the council;

(1) Generally, all matters which it is necessary or expedient to provide for or regulate in pursuance of the purposes of this Act and in furtherance of its general intention.

(2) No regulation made under the authority of this section shall have effect until approved by the governor in council.

Sec. 12. Notwithstanding anything in the last preceding section contained or any power thereby conferred:

(a) No candidate shall be eligible for any examination prescribed by the council unless he is the holder of a provincial license, or unless he represents a certificate from the registrar of his own provincial medical council that he holds a medical degree accepted and approved of by the medical council of the said province:

(b) The standard of examination shall not at any time be lower than the highest standard for the like purpose then established for ascertaining the qualification for registration in any province;

(c) The possession of a Canadian university degree alone, or of a certificate of provincial registration founded on such possession, obtained subsequent to the date when the council shall be first duly constituted under this Act, shall not entitle the possessor thereof to be registered under this Act.

Sec. 13. A copy of such regulation certified by the registrar under his hand and the seal of the council may be received in evidence without proof other than the production of a copy purporting to be so certified.

Sec. 14. HOMEOPATHISTS: The council shall make such regulations as shall secure to homeopathic practitioners, and to all applicants for registration who desire to be practitioners of the homeopathic school, rights and privileges in respect of registration by the council not less than those now possessed by them under the laws of any province, and under the regulations of the provincial medical council thereof.

Sec. 15. BOARD OF EXAMINERS: At each annual meeting of the council, the council shall appoint a board of examiners to be known as the Medical Council of Canada Examination Board, whose duty it shall be to hold the examinations prescribed by the council, subject to the provisions hereinbefore contained.

(2) The members of such board of examiners shall be eligible for reappointment.

Sec. 16. EXAMINATIONS: The subjects of examination and the eligibility of candidates shall be decided by the council, and candidates for examination may elect to be examined in the English or French language. A majority of the committee conducting the examination of any candidate shall speak the language in which the candidate elects to be examined;

(2) Examinations may be held only at those centers at which there is a university or college actively engaged in the teaching of medicine or having hospital facilities of not less than one hundred beds.

Sec. 17. REGISTRATION: The council shall cause to be kept by the registrar under the direction of the council, a book or register to be known as the Canadian Medical Register, in which shall be entered, in such manner and with such particulars as the council directs, the names of all persons who have complied with the requirements of this Act and with the regulations made by the council respecting registration under this Act, and who apply to the registrar to have their names so entered.

Sec. 18. Every one who passes the examination prescribed by the council, and otherwise complies with all the conditions and regulations requisite for registration as prescribed by this Act and by the council, shall, upon payment of the fees prescribed in that behalf, be entitled to be registered as a medical practitioner.

(2) Any person who has received a license or certificate of registration in any province previous to the date when the council has been first duly constituted under this Act, and who has been engaged in the active practice of medicine in any one or more provinces of Canada, shall, after ten years from the date of such license or certificate, be entitled to be registered under this Act as a medical practitioner, without examination, upon payment of the fees and upon compliance with the other conditions and regulations for such cases prescribed by the council; provided, that if the medical council of any province is not satisfied with the period of years prescribed by this subsection such medical council may, as a condition to provincial registration, exact an examination in final subjects from practitioners registered under this subsection, and the said examination shall be held according to the provisions of the by-laws or rules of the respective provincial councils.

Sec. 19. CANCELLATIONS: Any entry in the register may be cancelled or corrected upon the ground of fraud, accident or mistake.

Sec. 20. APPEAL: In any case of an application for registration or for correcting or amending any entry upon the register, the applicant, if aggrieved by the decision of the registrar, may appeal to the council, and the council shall hear and determine the matter; but all applications to cancel or strike off entries from the register, made adversely to the person whose resignation it is desired to effect, shall be by the registrar referred to the council, and the council shall, after three months' notice served personally or sent by post, prepaid and registered, to the last known address of such persons, hear and determine all such applications.

Sec. 11. CANCELLATION FOR IMPROPER CONDUCT: If it is made to appear to the council that there is reasonable ground to believe that any person registered under this Act has been convicted, either in any part of his Majesty's possessions or elsewhere, of an offense which, if committed in Canada would be an indictable offense under the criminal code, or that he has been guilty of infamous or disgraceful conduct in a professional respect, then, whether such offense has been committed or such conviction has taken place or such infamous or disgraceful conduct has occurred, either before or after the passing of this Act, or either before or after the registration of such person, the council shall, after three month's notice served personally or sent by post, prepaid and registered, to the last known address of such person, hear and consider the matter, and if satisfied that such person has been so convicted or is guilty of such offense or of such infamous or disgraceful conduct, direct the registrar to erase the name of such person from the register; provided, however, that if a person registered under this Act has likewise been registered under the laws of any province, and such provincial registration has been cancelled for any of the causes aforesaid by the authority of the provincial medical council for that province, the council shall then, without further inquiry, direct the registration of such person under this Act to be cancelled.

(2) The name of a person shall not be erased under this section

(a) Because of his adopting or refraining to adopt the practice of any particular theory of medicine or surgery, or,

(b) Because of his conviction, out of his Majesty's possessions, of a political offense against the laws of any foreign country; or,

(c) Because of his conviction for any offense which, though coming within the provisions of this section is, in the opinion of the council, either from the trivial nature of the offense or from the circumstances in which it was committed, insufficient to disqualify a person from being registered under this Act.

Sec. 22. RIGHT TO BE HEARD: Upon any appeal to the council, or upon any application to erase the name of any person from the register under either of the last two preceding sections, the persons applying, or the person charged shall have the right to appear and be heard, either in person or by counsel.

Sec. 23. COMMISSION OF INQUIRY: Whenever it is made to appear to the governor in council that the council is not complying with any of the provisions of this Act, the governor in council may refer the particulars of the complaint to a commission or inquiry consisting of three members, one of whom shall be appointed by the governor in council, one by the council and the third by the complainant, and such commission shall proceed to inquire in a summary manner and report to the governor in council as to the truth of the matters charged in such particulars of complaint, and in case of such particulars or any of them being found by the commission to have been established the commission shall recommend the remedies, if any, which are in its opinion necessary.

(2) The governor in council may require the council to adopt the remedies so recommended within such time as the governor in council, having regard to the report of the commission, thinks fit, and in default of the council complying with any such requirement, the governor in council may amend the regulations of the council, or make such provision or order as may seem necessary to give effect to the recommendation of the commission.

(3) The commission shall have power to administer oaths, enforce the attendance of witnesses and the production of books and papers, and shall have such other necessary powers for the purpose of any inquiry as are conferred upon it by the governor in council.

The judgment of the committee under this section shall be final and not subject to any appeal; provided, however, that suspension under this section shall not exceed thirty days.

Sec. 46. The executive committee of the council under this Act may and on the written application of any three registered practitioners to the council shall make a preliminary inquiry into the facts regarding such conduct of any registered practitioner as is set out in clause 44, and if the facts justify a reference to the council for a more thorough and complete investigation, the executive committee shall make such reference and the council shall order an investigation by the dissipline committee as heretofore provided.

Sec. 47. The council or executive committee may demand, if they see fit to do so, from any party or parties requesting an investigation, before undertaking the same, a reasonable amount as a deposit to cover the costs and expenses of such an investigation, and in case the investigation establishes the fact that the complaint was frivolous or vexatious, such deposit may be applied to cover the expenses of the same, otherwise the deposit is to be returned to the party or parties making it.

Sec. 48. Expenses: The council may order to be paid out of the funds at their disposal such costs as may to them seem just to any person against whom any complaint has been made.

Sec. 51. The discipline committee appointed under Section 43, as well as the executive committee of the council may for the purpose of the execution of their duties under this Act, employ at the expense of the council such legal or other assistance as these committees may think necessary, and the person whose conduct is the subject of inquiry shall also have the right to be represented by council.

Sec. 52. All meetings of such committees when held for taking evidence or otherwise ascertaining the facts shall be held within the judicial district where the member complained of resides or the alleged offense was committed.

Sec. 53. At least two weeks before the meeting of the committee to be held for taking evidence, or otherwise ascertaining the facts, a notice shall be served on the person whose conduct is the subject of inquiry; and such notice shall embody a copy of the charges made against him or a statement of the subject matter of the inquiry, and shall also specify the time and place of such meeting. The testimony of witnesses shall be taken under oath, which the chairman or acting chairman of the committee is hereby authorized to administer, and there shall be full right to cross-examine all witnesses called and to adduce evidence in defense and reply.

Sec. 54. For the purpose of procuring attendance and evidence of a witness before the committee, a judge of the said superior court may, on application of any party to the inquiry, order the issue by the clerk of the said court or a deputy thereof of a writ of subpoena ad testificandum or writ of subpoena duces tecum. The rules of evidence on such inquiry and the proceedings and penalties in the case of disobedience to any such writ shall be the same as obtain in civil cases in the said court.

Sec. 55 In the event of the non-attendance of the person whose conduct is the subject of such inquiry the committee may, on proof of personal service of the notice aforesaid in accordance with the provisions of this Act, which proof of service may be by statutory declaration, proceed with the subject matter of the inquiry in his absence and make the report of the facts without further notice to such person.

Sec. 56. Any person whose name has been ordered to be erased from the register may appeal from the decision of the council to a judge of the said superior court at any time within six months of the date of the order for such erasure; and such judge may on the hearing of such appeal make such order as to the restoration of the name so erased or confirming such erasure or for further inquiries by the committee or council into the facts of the case and as to costs as shall be just.

Sec. 57. APPEAL: The appeal may be by summons for the council of the said college to show cause served on the registrar and shall be founded on a copy of the proceedings before the committee, the evidence taken, the committee's report and the order of the council in the matter certified by the registrar; and the registrar shall on the request of any person desiring to appeal furnish to any such person a certified copy of all proceedings, reports, orders and papers on which the committee or council have acted in making the report or order complained of.

Sec. 58. WHO MAY PRACTICE: Every person registered under the provisions of this Act and not under suspension shall be entitled to practice medicine, surgery or midwifery or any of them in the province of Alberta, and to demand and recover in any court in the said province, with full cost of suit, reasonable charges for professional aid, advice and visits, and the cost of any medicine or surgical appliances rendered or supplied by him to his patients.

Sec. 59 MALPRACTICE: No duly registered member of the College of Physicians and Surgeons of the Province of Alberta shall be liable to any action for negligence or malpractice by reason of professional services requested or rendered unless such action be commended with one year from the date when in the matter complained of such professional services terminated.

Sec. 60. Sec. 58. CERTIFICATE OF REGISTRATION: In the case of any person whose name does not appear in such copy, a certified copy under the hand of the registrar of the council and the seal of the said college, of the entry of the name of such person on the register, shall be evidence that such person is registered under the provisions of this Act.

Sec. 59. Sec. 60. ACTION FOR FEES FOR PROFESSIONAL SERVICES: Every person registered under the provisions of this Act shall be entitled, according to his qualification or qualifications, to practice medicine, surgery or midwifery, or any of them, as the case may be, in the province of British Columbia, and to demand and recover in any court of law, with full costs of suit, reasonable charges for professional aid, advice and visits, and the cost of any medicine or other medical appliances rendered or supplied by him to his patients.

Sec. 61. Sec. 65. Provided that the name of a person shall not be erased under this or the last preceding section on account of his adopting or refraining from adopting the practice of any particular theory of medicine or surgery, nor on account of a conviction for a political offense out of his majesty's dominions, nor on account of a conviction for an offense which, though within the provisions of the last preceding section, ought not in the opinion of the council or committee hereinafter named, either from the trivial nature of the offense or from circumstances under which it was committed, to disqualify a person from practicing medicine or surgery.

Sec. 43. COSTS IF CHARGE FRIVOLOUS: The council may order to be paid out of any funds at their disposal such costs as to them may seem just to any person against whom any complaint has been made, which when fully determined is found to have been frivolous and vexatious.

quorum shall be not less than three; and a written report of the committee may be acted upon as to the facts therein stated for the purpose of the exercise of the said powers by the council.

Sec. 47. Provided, that all meetings of any such committee, when held for taking evidence or otherwise ascertaining the facts, shall be held within the judicial district where the member complained of resides or the alleged offense has been committed, unless he shall personally or by counsel or agent consent to have the inquiry held elsewhere.

PROCEDURE BEFORE COMMITTEE: At least one week before the first meeting of the committee to be held for the taking of evidence or otherwise ascertaining the facts, a notice shall be served upon the person whose conduct is the subject of inquiry, and such notice shall embody a copy of the charges made against him or a statement of the subject matter of the inquiry, and shall also specify the time and place of such meeting. The testimony of witnesses shall be taken under oath, which the chairman or acting chairman of the committee is hereby authorized to administer, and there shall be full right to cross-examine all witnesses called and to call evidence in defense and reply. In the event of the nonattendance of the person whose conduct is the subject of such inquiry, the committee may, upon proof of personal service of the notice aforesaid in accordance with the provisions of this section, which proof of service may be by statutory declaration, proceed with the subject matter of the inquiry in his absence and make their report of the facts without further notice to such person.

Sec. 52. APPEAL: No action shall be brought against the council or the said committee for anything done bona fide under this Act, notwithstanding any want of form in the proceeding; but any person whose name has been ordered to be erased from the register may appeal from the decision of the council to any judge of the Court of King's Bench for Manitoba at any time within six months from the date of the order for such erasure, and such judge may, upon the hearing of such appeal, make such order as to the restoration of the name so erased, or confirming such erasure, or for further inquiries by the committee or council into the facts of the case, and as to costs, as to such judge shall seem right in the premises.

Sec. 53. Sec. 54. EVIDENCE OF REGISTRATION: In any trial under this Act the burden of proofs as to registration shall be upon the person charged.

Sec. 55. CERTIFICATES PRIMA FACIE PROOF: In all cases where proof of registration under this Act is required to be made, the production of a certificate that the person or persons therein named is or are duly registered, certified under the hand of the registrar of the council for the time being, shall be sufficient evidence of such registration in lieu of the production of the original register; and any such certificate purporting to be signed by any person in the capacity of registrar of the council under this Act shall be bona fide evidence that such person is such registrar, without any proof of his signature or of his being in fact such registrar.

Sec. 56. REGISTER TO BE PUBLISHED: The registrar of the council shall from time to time under the direction of the council, cause to be printed and published a correct register, in the form set forth in the schedule to this Act or to the like effect, of the names of all persons appearing on the register, as existing on the day of publication, in alphabetical order according to their surnames, with their respective residences, and together with the medical titles, diplomas and qualifications conferred by any college or body, and the dates thereof.

Sec. 62. Sec. 66. LEGALLY QUALIFIED MEDICAL PRACTITIONER: The expression "legally qualified medical practitioner" or the expression "duly qualified medical practitioner" or any other words or expressions importing legal recognition of any person as a medical practitioner or member of the medical profession, when used in any act or law, shall, in so far as such act or law applies to this Province, be construed to mean a person registered under this Act.

Sec. 67. EXEMPTION FROM JURY SERVICE: Every person who shall be registered under the provision of this Act shall be exempt, if he so desire, from serving on all juries and inquests whatsoever.

Sec. 68. Sec. 69. EXAMINATIONS AND CERTIFICATES: The University of Manitoba shall be the sole examining body in medicine in this Province, and the council of the University shall have power from time to time to grant to any person or persons a certificate under the seal of the University that the council of the University has been satisfied that the person mentioned in the certificate is, by way of medical education and otherwise, a proper person to be registered under this Act; but such certificate shall not be granted until the person or persons making such application shall have given such evidence of qualification, by undergoing an examination or otherwise, as the statutes of the University then in force may require, and the applicant shall in all other respects first comply with the rules and regulations of the University in that behalf.

Sec. 70. Sec. 71. HOMEOPATHIC EXAMINERS: Every candidate who at the time of his ex-

amination signifies his wish to be registered as a homeopathic practitioner shall not be required to pass an examination in either materia medica or therapeutics, or in the theory or practice of physic, or in surgery or midwifery, except the operative practical parts thereof, before any examiners other than those homeopathic examiners who shall from time to time be appointed by the University of Manitoba.

Sec. 72. REPRESENTATION IN UNIVERSITY COUNCIL: The council of the College of Physicians and Surgeons of Manitoba shall from amongst themselves, at a meeting specially called for that purpose, select annually four persons to be members of the University Council.

Sec. 73. Sec. 76. PENALTY FOR FALSELY ASSUMING MEDICAL TITLE: Any person who wilfully or falsely pretends to be a physician, doctor of medicine, surgeon or general practitioner, or assumes any title, addition or description other than he actually possesses and is legally entitled to, shall be liable, on conviction thereof before a justice of the peace, to a penalty not exceeding $50.00 nor less than $10.00.

Sec. 77. Any person not registered pursuant to this Act, who takes or uses any name, title, addition or description implying or calculated to lead people to infer that he is registered under this Act, or that he is recognized by law as a physician, surgeon, accoucher, or a licentiate in medicine, surgery or midwifery, shall be liable, upon a summary conviction thereof before a justice of the peace, to pay a penalty not exceeding $100.00 nor less than $25.00.

Sec. 78. All penalties recoverable under this Act shall be paid to the convicting justice and by him paid to the registrar of the college, and shall form part of the funds thereof.

Sec. 79. PROSECUTIONS: All prosecutions under this Act may be brought or heard before any one or more of His Majesty's justices of the peace having jurisdiction where any such offense has been committed; and such justice or justices may award a payment of costs in addition to the penalty; and in case the penalty and costs awarded by him or them be not upon conviction forthwith paid, he or they may commit the offender to the common gaol of the judicial district in which the offense has been committed, there to be imprisoned for any term not exceeding one month, unless the penalty and costs be sooner paid.

(a) Provided that in any prosecution under this Act it shall be sufficient proof of an offense under this Act if it is proved that the accused has done or committed a single act of unlicensed practice, or has committed on one occasion any of the acts prohibited by this statute.

Sec. 80. FORM OF PROSECUTIONS: All prosecutions against anyone acting in contravention of the provisions of this Act shall take place in accordance with the provisions of the statutes of Canada referred to in "The Manitoba Summary Conviction Act."

Sec. 83. Sec. 84. STAY OF PROCEEDINGS: The council of the College of Physicians and Surgeons of Manitoba, by an order signed by the president and having the seal of the college appended thereto, may stay proceedings in any prosecution under this Act where it is deemed expedient.

Sec. 85. MONEYS: All moneys forming part of the college funds shall be paid to the treasurer, and may be applied to carry this Act into execution.

Sec. 87. INVESTMENT OF FUNDS OF COLLEGE: The funds of the said college, or any part thereof, may be invested by the council, in the name of "The College of Physicians and Surgeons of Manitoba," in the debentures of any incorporated city, town or rural municipality, or school district, in the Province of Manitoba, authorized to issue bonds or debentures, or in the public securities of the Dominion of Canada, or of any province thereof, or upon the security of mortgage on any real property in the Province of Manitoba, for such term or terms, and at such rate or rates of interest, and in such manner, and upon such security, as may be agreed upon between the parties borrowing and the council.

Sec. 88. POWERS OF COLLEGE AS TO HOLDING LANDS: The said college shall have full power and authority to acquire, take, hold and dispose of all such lands and tenements, real and personal estate, as may have been or shall be bona fide mortgaged, transferred, assigned, hypothecated or pledged to the said college by way of security or conveyed to it in satisfaction of debts previously contracted, or purchased at judicial sales upon levy for such indebtedness, or otherwise purchased for the purpose of avoiding a loss to the said college in respect thereof, or of the owner thereof.

Sec. 89. PAYMENT OF ANNUAL DUES TO CANADIAN MEDICAL PROTECTIVE ASSOCIATION: The council may order to be paid out of any funds of the college, for all members of the college in good standing, the annual dues of such members to the Canadian Medical Protective Association.

Sec. 5. ADMINISTRATION: (1) Every vacancy in the board, whether caused by death, resignation, removal from office, expiration of term of office, or otherwise, shall be filled with as little delay as possible by the authority which appointed or elected the person causing such vacancy; so that as far as practicable the board shall always consist of fifteen members nine appointed by the governor-in-council and six elected by the society.

Notwithstanding anything contained in "The Medical Act," being Chapter 103 of the Revised Statutes, 1900, the board may, by special resolution, grant its certificate of registration to and register, under the provisions of said Act, any medical student who has completed a four years' course of study at any university, college or incorporated school of medicine in good standing hitherto recognized, or that may hereafter be recognized by the board, and has passed the examination required by clauses (a) (b) and (c) of sub-section (1) of section 19 of said Act, and who has immediately thereafter attended a special session of eight months' duration at and has obtained his degree or diploma from such university, college or incorporated school of medicine, and who has enlisted or may enlist in the Canadian or British Army Medical Corps for service abroad during the present war; and the action of the board in granting a special examination and its license and certificate of registration to and entering on the medical register the name of any medical student who has fulfilled the forgoing requirements, is hereby ratified and confirmed. (Amendment May, 1917.)

(2) Any person who registers under this section and remains in the province to practice his profession shall be limited territorially in his practice to such parts of the province as the board by resolution may determine, and the board may, after due notice being given, remove from the medical register the name of any person so registered who does not respect the territorial limitation of the board in his practice.

Sec. 20b (1) The board may by special resolution grant the persons who have completed a satisfactory four years' course of study in medicine, surgery and miwifery a limited license to practice. Such license shall be in force for such time, not exceeding one year, as may be prescribed by special resolution. The right to engage in the practice of medicine, surgery, and midwifery under such license shall be limited territorially by such resolution to such part of the province as the board may determine.

(2) Any person engaged in the practice of medicine, surgery or midwifery under such limited license shall, while acting within the territory described in such special resolution and while such resolution is in force, have the right and privilege of a duly registered medical practitioner.

(3) Any license granted under this section may be revoked by the board at any time.

Sec. 20c. This Act shall remain in force from the date of the passing thereof during the present war and for six months thereafter unless the same is sooner repealed by the Legislature. (Amendment May 17, 1916.)

Sec. 21. RECIPROCITY: (1) The board shall admit to registration, on payment of the registration fee, any person desirous of practicing in Nova Scotia who is duly registered by the General Medical Council of Great Britain.

(2) When and as soon as it appears that there has been established in any other province of Canada, or in the Northwest Territories of Canada, an examining board similar to that constituted by this chapter or an institution duly recognized by the legislature of any such province or of the said Northwest Territories, as the sole examining body therein for the purpose of granting certificate of qualification for the practice of medicine, and whereof the curriculum is equivalent to that established by this chapter, the holder of a certificate of qualification from any such examining body or institution shall on due proof and on payment of the registration fee be entitled to registration by the board, if the same privilege is accorded by such examining board or institution to those holding certificates of qualification from the board.

(3) Whenever there is established under the Act of the Parliament of Canada known as "The Canada Medical Act, 1902," or any Act in amendment thereof, a register for Canada for medical practitioners under the control of a medical council appointed or elected pursuant to the provisions of the aforesaid Act or Acts, then notwithstanding anything contained in this chapter any person duly registered in the said medical register of Canada as a medical and surgical practitioner shall be deemed to be qualified and entitled to be registered in the medical register of the board as a duly qualified medical and surgical practitioner and shall be so registered on the production of a certificate under the hand of the registrar of the said Medical Council of Canada certifying that such person is duly registered in the said medical register for Canada, and on satisfactory proof of the identity of such person and on payment of such fee as may be prescribed by the board, such fee not to exceed the fee ordinarily payable in cases of registration under the other provisions of this chapter.

Sec. 22. REGISTRATION: No person shall practice medicine, surgery or midwifery in Nova Scotia unless his name is registered in the medical register.

Sec. 23. APPOINTMENTS: No person shall be appointed as medical officer, physician or surgeon in any branch of the public service of this province, or in any hospital or other charitable institution, unless he is registered under the provisions of this chapter; provided, that this section shall not apply to the appointment of house surgeons in the Victoria General Hospital (Halifax).

Sec. 24. VALID CERTIFICATES: No certificate required by any statute now in force or hereafter to be passed from any physician, surgeon or medical practitioner, shall be valid unless the person granting or signing the same is registered under this chapter.

Sec. 25. NO COLLECTIONS UNLESS REGISTERED: No person shall be entitled to recover in any court of law any charge for medical or surgical advice or attendance, or for the performance of any operation, or for medicines or medical or surgical appliances which he has supplied or furnished, unless he proves on trial that he is registered under this chapter; provided, that nothing in this section shall apply to the sale by qualified druggists or chemists of articles properly belonging to their business.

Sec. 26. NO SCHOOLS BARRED: No person otherwise duly qualified under this chapter shall be refused registration on account of his adopting or refusing to adopt the practice of any particular theory of medicine. In case of such refusal by the board, the person aggrieved shall have the right to appeal to the governor-in-council, who on due cause shown may issue an order to the board to register the name of such person.

Sec. 27. ADDITIONAL QUALIFICATIONS REGISTERED: Every person registered under this chapter who has obtained any degree or qualification other than that in respect to which he has been registered, may have such other degree or qualification inserted in the register in substitution for or in addition to the qualification previously registered, on the payment of such fee as the board appoints.

Sec. 28. No qualification shall be entered on the register, either on the first registration or by way of addition to the registered name, unless the board is satisfied by sufficient evidence that the person claiming to have such qualifications entered is entitled thereto; and any entry which is proved to

the satisfaction of the board to have been fraudulently or incorrectly made shall by direction of the board be erased from the register.

Sec. 29. INFAMOUS CONDUCT: Any medical practitioner who has been sentenced to imprisonment in a penitentiary, or who after due inquiry has been adjudged by the board to have been guilty of infamous conduct in any professional respect, shall thereby forfeit his right to registration, and if registered his name shall, by direction of the board, be erased from the register.

Sec. 30. COLLECTIONS: Every person registered under the provisions of this chapter shall be entitled, according to his qualification or qualifications, to practice medicine, surgery, or midwifery, or any of them, as the case may be, and to demand and recover in any court of justice reasonable charges for professional aid, advice and attendance, and the cost of any medicines or medical or surgical appliances furnished by him to his patients.

Sec. 31. NEGLECT OF REGISTRATION: Any person who neglects or omits to be registered under this chapter shall not be entitled to any of the rights or privileges conferred by the provisions of this chapter.

Sec. 31a. ERASED REGISTRATION: APPEAL: Any person who has been registered under the provisions of this chapter and whose name has been heretofore or is hereafter erased from the registry by order of the board shall, at any time within three months after the passing of this Act April 16, 1908, if such erasure has been made before the passing thereof, or within three months after the date of such erasure, if made after the passing of this Act, have the right to appeal from the order directing such erasure to a judge of the Supreme Court, who shall hear and determine such appeal in a summary manner and may confirm, reverse or modify the decision of the board, or may make an order directing the board to register the name of such person, and on the making of such order the name of such person shall be deemed to be registered.

Any of the parties to the appeal may call witnesses and adduce evidence whether such witnesses were called or evidence adduced at the hearing before the board or not, either as to the credibility of any witness or as to any fact material to the inquiry.

This section shall no apply to a case in which a medical practitioner has been, after due inquiry, adjudged by the board guilty of infamous conduct in any professional respect.

(2) Any list purporting to be so printed and published as aforesaid, shall from the said first day of August until the same date in the next following year be prima facie evidence in all courts of justice that the persons herein specified are registered according to the provisions of this chapter; and the absence of the name of any person from such list shall, during the same period, be prima facie evidence that such person is not registered according to the provisions of this chapter; provided, that in the case of any person whose name does not appear in such list a certified copy under the hand of the registrar of the entry of the name of such person on the register shall be evidence that such person is registered under the provisions of this chapter.

Sec. 33. FALSE REPRESENTATION: PENALTIES: Every person who wilfully procures or attempts to procure himself to be registered under this chapter or any amendment thereto by making or producing any false or fraudulent representation, statement or declaration, either verbally or in writing, and every person who knowingly aids or assists therein, shall be liable to a penalty of not less than $100.00.

Sec. 34. If the registrar makes or causes to be made any wilful falsification in any matter relating to the registers mentioned in this chapter or either of them, he shall for every such offence be liable to a penalty of not less than $100.

Sec. 35. (1) If any person not registered under the provisions of this chapter practices, or in any manner or by any means whatsoever, professes to practice medicine, surgery or midwifery, or advertises in any manner or by any means whatsoever to give advice in medicine, surgery or midwifery, he shall be liable to a penalty not exceeding $20 for each day that he so practices, professes to practice or advertises.

(2) If any person wilfully pretends to be a physician, doctor of medicine, surgeon or general practitioner, or assumes any title, addition or description other than he actually possesses and is legally entitled to, he shall for each such offense be liable to a penalty not exceeding $100.

Sec. 37. PENALTIES SUED FOR IN COURTS: All penalties or sums forfeited under the provisions of this chapter shall be recoverable with costs, and may be sued for and recovered in the same manner as a private debt by the board or by any qualified medical practitioner in any of the courts of this province having jurisdiction in actions of debts to the extent of $80 or upwards. All such penalties or sums when recovered shall belong to the board for the use thereof under this chapter.

Sec. 38. In any trial under this chapter the burden shall be on the person charged to prove that he is duly registered under this chapter, and in the absence of proof that he is so registered it shall be conclusively presumed against him that he is not so registered under this chapter.

Sec. 39. No suit or action for the recovery of any penalty under this chapter shall be commenced after the expiration of one year from the date of the offense or act complained of.

Sec. 40. TO WHOM NOT APPLIED; MIDWIVES; BY-LAWS; CERTIFICATES: (1) Nothing in this chapter shall prevent any competent female from practicing midwifery in this province, except in the city of Halifax.

(2) In the city of Halifax no female shall practice midwifery unless and until she first fulfills such conditions as the board by regulation or by-laws appoints, and satisfies the examiners appointed by the board for that purpose of her competency, and obtains from the board a diploma or certificate of qualification, and has been registered as hereinbefore provided.

(3) In lieu of an examination, the board may accept from any such midwife practicing or proposing to practice in the city of Halifax a diploma or certificate from a recognized lying-in hospital which provides a regular course of instruction and requires an examination equivalent to that required by the board.

Sec. 41. Nothing in this chapter shall prevent any person from giving necessary medical or surgical aid or attendance to any one in urgent need thereof; provided, that such aid or attendance is not given for hire or gain, and that the giving of it is not made a business or way of gaining a livelihood by such person.

Sec. 42. Obsolete since July 1, 1902.

Sec. 43. RESTRAINING ORDER: In case an execution issued on a judgment recovered for a penalty under the provisions of this chapter is returned by the sheriff unsatisfied, an order restraining the person against whom such judgment has been recovered from further violating the provisions of this chapter, may be made on application to a judge of the court in which such judgment was recovered, after ten days' notice of such application.

Any such restraining order may be enforced by writ of attachment.

In case of any vacancy the committee may appoint a member of the council to fill the vacancy until the next meeting of the council.

(4) A committee under this section may, for the purpose of the execution of their duties under this Act, employ, at the expense of the council, such legal or other assessor or assistant as the committee may think necessary or proper; and the person whose conduct is the subject of inquiry shall also have the right to be represented by counsel: provided, that all meetings of any such committee when held for taking evidence or otherwise ascertaining the facts shall be held within the county where the member complained of resides or the alleged offense was committed.

(5) At least two weeks before the first meeting of the committee to be held for taking the evidence or otherwise ascertaining the facts, a notice shall be served upon the person whose conduct is the subject of inquiry, and such notice shall embody a copy of the charges made against him, or a statement of the subject matter of the inquiry, and shall also specify the time and place of such meeting; the testimony of witnesses shall be taken under oath, which the chairman or acting chairman of the committee is hereby authorized to administer, and there shall be full right to cross-examine all witnesses called and to call evidence in defense and reply; in the event of the non-attendance of the person whose conduct is the subject of such inquiry, the committee may, upon proof of personal service of the notice aforesaid in accordance with the provisions of this section, which proof of service may be by statutory declaration, proceed with the subject matter of the inquiry in his absence and may make their report of the facts without further notice to such person.

Sec. 36. NO ACTION AGAINST COUNCIL: No action shall be brought against the council or the committee for anything done bona fide under this Act, notwithstanding any want of form in the proceedings but any person whose name has been ordered to be erased from the register may appeal from the decision of the council to a divisional court of the high court, at any time within six months from the date of the order of such erasure, and the court may, upon the hearing of the appeal, make such order as to the restoration of the name so erased or confirming such erasure, or for further inquiry by the committee or council into the facts of the case, and as to costs, as to the court shall seem right in the premises.

Sec. 37. APPEAL: The appeal may be by motion, notice of which shall be served upon the registrar, and shall be founded upon a copy of the proceedings before the committee—the evidence taken, the committee's report and the order of the council in the matter—certified by the registrar; and the registrar shall, upon the request of any person desiring to appeal, and upon payment of the sum of 5 cents per folio, furnish to any such person a certified copy of all the proceedings, reports, orders and papers, upon which the committee acted in making the order complained of.

Sec. 38. SUBPOENA: Upon any inquiry under Section 33 of this Act either party may without leave or order obtain and issue from the high court of justice for Ontario a subpoena commanding the attenance and examination of any witness and also the production of any documents, the production of which could be compelled at the trial of an action to and before the committee and at the time and place mentioned in the subpoena; and disobedience to the subpoena shall be deemed a contempt of court, but the person whose attendance is required shall be entitled to the like conduct, monye and payment of expenses and for loss of time as upon attendance at a trial.

Sec. 39. COSTS: In case of the erasure of a name under the preceding provisions of this Act the council may direct the costs of and incidental to such erasure to be paid by the party whose name has been directed to be erased, which costs shall first be taxed by one of the taxing officers of the high court upon whose certificate execution may issue for the collection of such costs by the college out of the high court as upon a judgement in an action in such court.

Sec. 40. ENTITLED TO PRACTICE: Every person registered under the provisions of this Act shall be entitled according to his qualification or qualifications to practice medicine, surgery or midwifery, or any of them, as the case may be, in the province of Ontario, and to demand and recover in any court reasonable charges for professional aid, advice and visits and the cost of any medicine or other medical or surgical appliances rendered or supplied by him to his patients.

Sec. 41. MALPRACTICE: No duly registered member of the College of Physicians and Surgeons of Ontario shall be liable to any action for negligence or malpractice, by reason of professional services requested or rendered, unless such action be commenced within one year from the date when in the matter complained of such professional services terminated.

Sec. 42. REGISTER PUBLISHED: (1) The registrar of the council shall from time to time under the direction of the council cause to be printed and published a correct register of the names in alphabetical order according to the surnames, with the respective residences in the form set forth in Schedule C to this Act, or to the like effect together with the medical titles, diplomas and qualifications with the dates thereof, of all persons appearing on the register as existing on the day of publication; and such register shall be called "The Ontario Medical Register"; and a copy of such register for the time being purporting to be printed and published as aforesaid, shall be prima facie evidence in all courts, and before all justices of the peace, and others, that the persons therein specified are registered according to the provisions of this Act, and, subject to the provisions of Subsection 2 of this section, the absence of the name of any person from such copy shall be prima facie evidence that such person is not registered according to the provisions of this Act.

(2) In case of any person whose name does not appear in such copy, a certified copy under the hand of the registrar of the

council, of the entry of the name of such person on the register, shall be evidence that such person is registered under the provisions of this Act.

Sec. 43. ANNUAL FEE: (1) Every member of the college shall pay to the registrar or any person deputed by the registrar to receive it, such annual fee, not being less than $1 nor more than $2, as may from time to time be determined by by-laws of the council passed as in this section is provided to be applied towards the general expenses of the college, which last mentioned fee shall be due on and from the 1st day of January in the year in which the same is imposed; and such fee shall be deemed to be a debt due by each member to the college, and shall be recoverable with costs of suit in the name of the College of Physicians and Surgeons of Ontario, in the division court where the member resides.

(2) The council may by by-law prescribe means of collecting and enforcing the payment of the said annual fee.

Sec. 44. ANNUAL CERTIFICATE: (1) Every registered medical practitioner shall obtain from the registrar, annually before the last day of December in each year, a certificate under the seal of the college, that he is a duly registered medical practitioner.

(2) Upon payment of all fees and dues payable by such medical practitioner to the college the registrar shall write his name on the margin of the certificate and the date thereof, and the certificate shall be deemed to be issued only from such date: Provided, nevertheless that any fees properly charged during the time in which any practitioner's name was erased from the register, under this Act, shall be legally recoverable upon production of the certificate of registration at the time of suit.

(3) No certificate shall be issued to any practitioner who is indebted to the college for any sums payable to the college, nor until the annual fee for such certificate prescribed by the by-laws of the college under this Act is paid.

(4) If a practitioner omits to take out such annual certificate he shall not be entitled thereto until he pays to the college the certificate fee as aforesaid, together with any other fees or dues which he owes to the college.

(5) After twelve months' default in taking out such certificate, and if two months' notice of such default be given by registered letter addressed to the registered address of such defaulter, the registrar shall, if payment has not been made by the defaulter, erase the name of the medical practitioner so in default from the register, and the provisions of this Act as to unregistered medical practitioners shall forthwith apply to such medical practitioner.

(6) Such medical practitioner may, unless otherwise disqualified under this Act, at any time after his name is so erased by the registrar, obtain re-registration by applying to the registrar and paying all arrears of fees and dues owing to the college, under this Act, and taking out his certificate as herein provided, and he shall be thereupon reinstated to the full privileges enjoyed by other registered medical practitioners under this Act.

Sec. 45. (1) The provisions of Sections 43 and 44 of this Act shall only continue in force so long as the by-laws of the said council passed on June 28, 1895, adopting the same remains in force, and the council may appeal the said by-law and may by by-law from time to time re-enact the said provisions in whole or in part, or with such modifications as the council deems proper, subject always to the limit prescribed by Section 43.

Sec. 46. NEGLECT OF REGISTRATION; PENALTIES: Any person entitled to be registered under this Act but who neglects or omits to be so registered, shall not be entitled to any of the rights or privileges conferred by registration under the provision of this Act, so long as such neglect or omission continues, and he shall be liable to all the penalties imposed by this Act, or by any other Act in force against unqualified or unregistered practitioners.

Sec. 47. FALSIFICATION: PENALTY: If the registrar makes or cause to be made any wilful falsification in any matter relating to the register, he shall incur a penalty of $50, and shall be disqualified from again holding the office of registrar.

Sec. 48. (2) If any person wilfully procures or attempts to procure himself to be registered under this Act, by making any false or fraudulent representation or declaration, either verbally or in writing, he shall on conviction thereof before any justice of the peace incur a penalty of not exceeding $100; and every person knowingly aiding and assisting him herein shall for such offense on conviction thereof incur a penalty of not less than $20 nor more than $50.

Sec. 49. PRACTICE UNLAWFUL IF NOT REGISTERED; PENALTIES: It shall not be lawful for any person not registered to practice medicine, surgery or midwifery for hire, gain or hope of reward; and if any person not registered pursuant of this Act, for hire, gain, or hope of reward practices or professes to practice medicine, surgery, or midwifery, or advertises to give advice in medicine, surgery or midwifery, he shall upon a summary conviction thereof before any justice of the peace, for every such offense, pay a penalty not exceeding $100 nor less than $25.

Sec. 50. FALSE PRETENTIONS; PENALTIES: Any person who wilfully or falsely pretends to be a physician, doctor of medicine, surgeon, or general practitioner, or assumes any titles, addition or description other than he actually possesses and is legally entitled to, shall be liable on conviction thereof before a justice of the peace to a penalty not exceeding $50 nor less than $10.

Sec. 51. Any person not registered pursuant to this Act who takes or uses any name title, addition or description implying or calculated to lead people to infer that he is registered under this Act, or that he is recognized by law as a physician, surgeon, accoucheur or a licentiate in medicine, surgery or midwifery, shall be liable upon a summary conviction thereof before any justice of the peace to pay a penalty not exceeding $100 nor less than $25.

Sec 52. No person shall be entitled to recover any charge in any court for any medical or surgical advice, or for attendance, or for the performance of any operation or for any medicine which he may have prescribed or supplied, unless he produces to the court a certificate that he is registered under this Act; but this section shall not extend to the sale of any drug or medicine by any duly authorized chemist or druggist.

Sec. 53. No person shall be appointed as medical officer, physician or surgeon in any branch of the public service of this province, or in any hospital or other charitable institution not supported wholly by voluntary contributions, unless he is registered under the provisions of this Act.

Sec. 54. No certificate required by any Act now in force, or that may hereafter be passed from any physician or surgeon or medical practitioner, shall be valid unless the person signing the same is registered under this Act.

Sec. 55. Sec. 56. APPEAL: Any person convicted under this Act who gives notice of appeal against the decision of the convicting justice, shall be required before being released from custody to give the justice satisfactory security for the amount of the penalty, costs of convicition and appeal.

Sec. 57. In any trial under this Act the burden of proof as to registration shall be upon the person charged.

Sec. 58. In all cases where proof of registration under this Act is required to be made the production of a printed or other copy of the register, certified under the hand of the registrar of the council, for the time being shall be sufficient evidence of all persons who are registered practitioners, in lieu of the production of the original register; and any certificate upon such printed or other copy of the register, purporting to be signed by any person in his capacity of registrar of the council under this Act, shall by prima facie evidence that such person is the registrar, without any proof of his signature or of his being in fact the registrar.

Sec. 59. Every prosecution under this Act shall be commenced within one year from the date of the alleged offense.

Sec. 60. The council by an order signed by the president having the seal of the college appended thereto, may stay proceedings in any prosecution under this Act where it is deemed expedient.

Be it enacted by the Lieutenant-Governor and Legislative Assembly of the Province of Prince Edward Island, as follows:

Section 1. DEFINITIONS: (a) This Act may be cited as the "Prince Edward Island Medical Act."

(b) In this Act unless the context otherwise requires, the "council" means the Medical Council; the "society" means the Medical Society of Prince Edward Island and the "registrar" means the registrar of the Medical Council; also the word "medicine" shall include surgery and midwifery.

(c) In this Act or in any other act of the legislature or legal public document the words "qualified medical practitioner," or any others words importing a person recognized by law as a medical practitioner, or member of the medical profession, shall be construed to mean a person registered under this Act.

Sec. 2. MEDICAL SOCIETY: The members of the medical profession of Prince Edward Island shall be, and shall be deemed to have been from its establishment, a body corporate under the name and style of the "Medical Society of Prince Edward Island," having perpetual succession and a common seal, with power to acquire, hold, and dispose of chattel property and real estate, for the purpose of this Act, and to sue and be sued in the manner usual with such corporations.

Sec. 3. MEMBERS: Every person registered under the provisions of the Medical Act, 1892, and the act to amend the same, shall be a member of the society, and shall be entitled to be registered under this Act without payment of any fee therefor; and every persons hereafter registered under the provisions of this Act shall also be a member of the society.

Sec. 4. COUNCIL; APPOINTMENT; ADMINISTRATIVE; MEETINGS; ORGANIZATION: There will be a council of the said society composed of seven members, to be elected as hereinafter provided, from among and by the registered members of the society.

(1) All members of the council shall be practitioners duly registered under this Act, and shall be residents of this province, and any member who, during the term for which he was elected, ceases to reside in the province shall thereby vacate his office as such member.

(2) The members of the council shall be elected for a period of one year, and such election shall be by ballot at the general annual meeting, but any member may resign at any time by letter addressed to the president or registrar of the council, and upon the death or resignation of an officer or member of the council, the remaining members may fill such vacancy.

(3) The council may make rules and regulations as to the times and places of meetings of the council and the mode of summoning the same.

(4) All acts of the council shall be decided by the majority of members present, not being less than four in number, and the president for the time being shall have the casting vote.

Sec. 5. General annual meetings of the society shall be held at such times and places as the society shall by by-laws determine. Special meetings may be called from time to time in such manner as may be provided for by a by-law.

Sec. 6. The council shall annually appoint a president, vice-president, registrar, and such other officers as may from time to time be necessary for giving effect to this Act.

Sec. 7. MEDICAL REGISTER: The council shall cause to be kept by the registrar, a book or register in which shall be entered the name of every person registered, according to the provisions of this Act, and from time to time the names of all persons who shall have complied with the enactments hereinafter contained, and with the rules and regulations made or to be made by the council respecting the qualifications to be required from practitioners of medicine in the province, which book or register shall be called the "Prince Edward Island Medical Register," and those persons only whose names are inscribed in the book or register above mentioned shall be deemed to be qualified and licensed to practice medicine in this province, except as hereinafter provided, and such book or register shall at all times be open and subject to inspection by any person.

Sec. 8. DUTY OR REGISTRAR: It shall be the duty of the registrar to keep his register correct, in accordance with the provisions of this Act, and the rules, orders and regulations of the council, and he shall from time to time make the necessary alterations in the addresses or qualifications of the persons registered under this Act, and the said registrar shall perform such other duties as may be imposed upon him by the council: and should he wilfully neglect or refuse to do so, he shall incur a penalty of ten dollars ($10), and shall be disqualified from again holding that position.

Sec. 9. The council shall admit to registration, upon payment of the required fee, all such persons as are duly registered by the General Medical Council of Great Britain.

Sec. 10. REQUIREMENTS FOR REGISTRATION: Subject to the exceptions made in this Act no person shall be entitled to have his name entered on the medical register, unless he produces evidence satisfactory to the council:

(a) That he has passed a preliminary or matriculation examination upon the subjects specified in the by-laws of the council, and had his name registered in the Medical Students' Register; also

(b) That after such examination and registration he has pursued his professional studies during a period of not less than four years; also

(c) That during the said four years he has attended at a university, college, or incorporated school of medicine, in good standing, a graded collegiate course of four sessions, each session to be of such duration, and the entire course to include sufficient and satisfactory lectures and instructions in medicine, surgery and midwifery, together with such attendance upon the general practice of a hospital, as the by-laws of the council shall require; also

(d) That he has satisfactorily passed an examination in the various branches of professional studies, specified in the by-laws of the council, before professional examiners appointed by the council; and upon passing the examination required, and on payment of the fee for such examination, also the fee for registration, which fees shall be fixed by the by-laws of the society, he shall be entitled to registration. Provided that any person holding the degree of B.A. from any university in His Majesty's Dominions, or any person holding a teacher's license of the first-class of this province, shall not be required to pass the matriculation examination.

Sec. 11. STUDENTS' REGISTER; FEE: The council shall cause to be kept by the registrar a book or register to be called the "Medical Students' Register," in which shall be entered the names of all who have passed the said matriculation examination, together with the date of registration, and such other particulars in regard thereto as may be by the council deemed necessary or expedient. A fee of two dollars ($2) shall be paid for such registration and a certificate thereof.

Sec. 12. RECIPROCITY: When and so soon as it appears that there has been established an examining board similar to that constituted by this Act, or an institution duly recognized by the legislature of any of the provinces of the Dominion of Canada, other than Prince Edward Island, as the sole examining body for the purpose of granting certificates of qualification, and wherein the curriculum is equal to that approved by the medical council of the province of Prince Edward Island, the holder of any such certificate shall, upon due proof, be entitled to registration by the council of Prince Edward Island, if the same privilege is accorded in such other province to those registered in Prince Edward Island.

Sec. 13. ANNUAL MEETING; STATEMENTS; ANNUAL FEE: At each annual meeting of the society it shall be the duty of the council to lay before the society a statement of all moneys received, and the mode of expenditure; also of the amount of money likely to be required during the ensuing year, how it is proposed to raise, and to expend this money, and the council shall be governed herein by a vote of the society. The council shall have power to levy an annual fee upon the members of the society, but no fees levied upon the members of the society shall exceed five dollars ($5) yearly on each member, and all fees shall be payable to the registrar on the first day of July of each year, and such fee shall be deemed a debt due by each member of the society, and shall be recoverable with costs in the name of the society, in any court of competent jurisdiction.

Sec. 14. ADDITIONAL QUALIFICATIONS REGISTERED: Every person registered under this Act, who obtains any higher degree or any qualifications other than that in respect of which he has been registered shall, on the payment of such fees as the council may appoint, be entitled to have such higher degree or additional qualification inserted on the register in substitution for or in addition to, the qualifications previously registered.

Sec. 15. No qualification shall be entered on the register, either on the first registration or by way of addition to a registered name, unless the registrar is satisfied, by proper evidence that the person claiming is entitled to be registered, and any appeal from the decision of the registrar may be decided by the council and any name proved to the satisfaction of the council to have been fraudulently or incorrectly entered may be erased from the register by an order in writing of the council.

Ses. 16. In the event of the registrar being dissatisfied with the evidence adduced by any person claiming to be registered, he shall have the power, subject to an appeal to the council, of refusing registration, until the person claiming to be registered has furnished evidence to the satisfaction of the registrar, duly attested by oath or affirmation before a notary or justice of the peace.

Sec. 17. INFAMOUS CONDUCT; ERASED REGISTRATION; INQUIRY: (a) Where any medical practitioner has either before or after he is registered been convicted either in His Majesty's Dominion or elsewhere of an offense which, if committed in Canada would be an offense against the criminal law of Canada, or been guilty of any infamous or disgraceful conduct in a professional respect, such practitioner shall be liable to have his name erased from the register, and if such a practitioner applies for registration the council shall have power to refuse such registration. The council shall upon the charge in writing of any person specifying the cause or causes of complaint cause inquiry to be made into the case of a person alleged to be liable under this section to be refused registration or to have his name erased from the register. No action shall be brought against the council or any member thereof for anything done bona fide under this section.

(b) Provided that no person shall be refused registration and that the name of no person shall be erased under this section on account of a conviction for a political offense out of His Majesty's Dominions, nor on account of a conviction for an offense which, though within the provisions of this section, ought not, in the opinion of the council either from the trivial nature of the offense or from the circumstances under which it was committed, to disqualify a person from practicing medicine or surgery.

(c) Upon receipt of proof of the finding or decision of any court of record in Canada and within His Majesty's Dominions that a criminal offense has been committed by any registered medical practitioner, the council shall order the registrar immediately to erase from the register the name of such practitioner.

(d) The council may for the purpose of the execution of their duties under the said act as hereby amended employ at the expense of the council such legal assistance as the council may think necessary or proper, and the person whose conduct is the subject of inquiry shall also have the right to be represented by council.

(e) Upon any inquiry under this section either party may without leave or order upon payment of the usual fee obtain and issue from the supreme court of judicature of this province a subpoena commanding the attendance and examination of any witness, and also the production of any documents the production of which could be compelled at the trial of an action to and before the council and at the time and place mentioned in the subpoena, and disobedience to the subpoena shall be deemed a contempt of court, but the person whose attendance is required shall be entitled to the like conduct, money and payment for the attendance as upon a trial in the said supreme court.

(f) In case of the erasure of a name under the provisions of this section the council may direct the costs of and incidental to such erasure to be paid by the party whose name has been directed to be trased, which costs shall first be taxed by one of the taxing officers of the said supreme court, upon whose certificate execution may issue for the collection of such costs out of the said supreme court as upon a judgment in an action in said court.

(g) The council may order to be paid out of any funds at their disposal such costs as to them may seem just to any person against whom any complaint has been made, which when finally deaermined is found to have been frivolous and vexatious.

Sec. 18. ERASURE PUBLISHED; APPEAL: It shall be lawful for the registrar upon the order of the council to publish a notice in any newspaper or newspapers published in Prince Edward Island, stating the fact that the name of any person has been erased from the register under the provisions of the last preceding section, and the cause of such erasure; provided that if such person has appealed within the time allowed for an appeal under this Act, no such notice shall be published until such appeal has been disposed of. It shall also be lawful for the registrar upon the order of the council to publish in any newspaper or newspapers published in Prince Edward Island the name or names of any person or persons unlawfully practicing medicine in this province without registration.

Sec. 19. Where the council refuses to register any person, or direct the erasure from the register of the name of any person or of any other entry, the name of that person or that entry shall not be again entered on the register, except by the direction of the council of by the order of the supreme court, or by the order of the supreme court, or by a judge thereof.

The council shall have the right to examine the witness on oath, which the president or acting president is hereby authorized to administer; as also to receive the affidavits or solemn declarations of persons residing out of this province, sworn to or made before any notary public. In the event of the non-attendance of the person whose conduct is the subject of such inquiry, the council may upon the proof of the personal service of the notice aforesaid, in accordance with the provisions of this section, which proof may be by solemn statutory declaration, proceed with the subject matter of the inquiry in his absence and determine the same.

Ses. 21. Sec. 24. FALSE REPRESENTATIONS; PENALTIES: (1) If any person procures or causes to be procured his registration under this Act, by means of any false or fraudulent representation or declaration, either verbal or in writing, it shall be lawful for the registrar, on receipt of sufficient evidence of the falsity or fraudulent character of such representation or declaration, to present the matter to the council, and on the written order of the president, attested by the seal of the society, to erase the name of such person from the register, and to make known the fact that the cause of the erasure, by notice to be published in Prince Edward Island, and after such notice has appeared, the person whose name has been erased shall cease to be a member of the society and shall cease to enjoy any of the privileges conferred by registration under this Act, and shall not be entitled to enjoy the same at any future time without the express sanction of the council.

Sec. 39. APPEAL: Any person aggrieved by the decision of any stipendiary magistrate, or of any justice or justices of the peace, shall have the right to appeal to the supreme court of this Island; the procedure in such appeals to be the same as that which now prevails in appeals from judgment of or convictions before such stipendiary magistrates, or justice or justices of the peace in similar cases.

Sec. 40. Sec. 41. REMOVAL: The medical council shall, on receiving information that any

member of the society has removed to another province or country and engaged in the practice of his profession and taken up his residence in said province or country, cause his name to be erased from the medical register, after two years' absence, unless said party desires to continue membership by paying all dues and annual assessments of the council.

Sec. 42. REPEAL: (1) This Act shall go into operation and take effect from and after the first day of July, A. D. 1899, and from and after that day the Act Fifty-fifth Victoria, Chapter 42, entitled, "The Medical Act, 1892," and the act to amend the same shall be repealed; but such repeal shall be subject to the condition and qualification hereinafter provided.

(3) The council and all officers and persons acting under the said acts hereby repealed shall continue to act as if appointed under this Act, until all others are appointed in their stead; and all proceedings taken under the said acts shall be taken up and continued under this Act when not inconsistent therewith; and all penalties and forfeitures may be recovered and all proceedings had in relation to matters which shall have happened before the said repeal, in the same manner as if the said acts hereby repealed were still in force.

(4) All by-laws, orders, regulations, rules and ordinances made under the said acts hereby repealed shall continue good and valid so far as they are not inconsistent with this Act, until they are annulled or others made in their stead.

(5) No offense committed, and no penalty or forfeiture incurred, and no proceedings pending under the acts hereby repealed, or under any regulation made thereunder shall be affected by the said repeal.

(6) Every medical practitioner whose name shall appear on the register of the council on June 30, A. D. 1899, as a duly registered medical practitioner, shall be considered and deemed to be duly registered under this Act, but subject nevertheless to the provisions thereof.

3. Every complaint against a member of the college may be heard by the council at a general or special meeting.

Notice of such appeal shall be served by a bailiff upon the registrar who has reported the decision to the member of the college who has been suspended or dismissed, within fifteen days following that of the service.

Such appeal shall be taken into consideration only at a regular session of the Provincial Medical Board.

6. The Provincial Medical Board shall decide the appeal summarily and the registrar shall within eight days forward a certified copy of such decision to the appellant, by registered letter.

7. No appeal shall lie to the courts from the decision rendered by the Provincial Medical Board or the council except in the case of suspension or dismissal of a member of the college. However, if an interested member believes himself wronged by the decision rendered by the Council on Discipline, or by the Provincial Medical Board, he may appeal his case to the superior court.

4969. EXECUTION OF THE DECISIONS OF THE COUNCIL AND RECOVERY OF COSTS: When the delay for the appeal has expired, or after final decision, as the case may be, a copy of the decision of the Provincial Medical Board, or of the council, certified by the registrar, shall be served by a bailiff within thirty days upon the member of the college who has been suspended or dismissed, or upon any other losing party, and upon the prothonotary of the superior court of the district where such member of the college or such party resides.

The prothonotary of the superior court of the district where the party condemned resides, shall, on production of a certified copy of the decision of the board of the council issue a warrant of execution for the recovery of the costs fixed by the tariff or taxed by the council or the board, both before and after the decision, as in the case of a judgment of the superior court.

2. If the losing party is a member of the college he shall not be allowed to practice his profession and shall be suspended ipso facto until he has paid the costs which he is condemned to pay.

4970. NOTICE OF SUSPENSION OR DISMISSAL. In the case of suspension or dismissal of a member of the college, notice shall be given over the signature of the registrar, in four numbers of the Quebec Official Gazette immediately after the judgment by the Provincial Medical Board has been delivered, or after the expiration of the delay granted for the appeal, if no appeal is taken.

2. The effects of the suspension or dismissal shall date only from the last of such four publications.

3. With the exception mentioned in Paragraph four of this article, a public notice of such suspension or dismissal, signed by the registrar shall be immediately read and posted on two consecutive Sundays by a bailiff of the superior court, or by the secretary-treasurer of the council of the municipality upon the door of the Church of the parish or of the township were the physician who has been suspended or dismissed has his domicile.

4970. PENALTIES AND PROSECUTIONS: 1. Every person not registered in this province who is convicted of having practiced medicine and surgery or midwifery in contravention of the provisions of this section, shall incur a penalty of not more than $50 for the first offense and of not less than $50 nor more than $200 for every subsequent offense.

This provision shall not apply to services rendered gratuitously by persons who by reason of their calling, may, under special circumstances, do certain acts to which this act would otherwise apply.

2. A penalty of $50 for the first offense, of $100 for the second offense, and of $200 for every subsequent offense, shall be incurred by any person who assumes the title of doctor of medicine or of surgeon or any other name which might give reason to suppose that he is legally authorized to practice medicine, surgery or midwifery in this province, if he cannot establish such fact by legal proof as required by this section and by law.

3. Every person who in an advertisement in a newspaper or in a written or printed circular or on a business card or on signs, assumes such a title, name or designation, as to lead people to suppose that he is duly registered or qualified to practice medicine, surgery or obstetrics, or any person who either for himself or on account of a licensed physician, offers or gives his services as physician, surgeon or obstetrician even gratuitously, or who offers or gives free consultation, if he is not duly authorized and registered in this province under this section, shall in each of such cases be liable to a penalty of $50 for the first offense, of $100 for the second offense, and of $200 for all subsequent offenses.

In every prosecution under this section proof of registration shall be upon the person prosecuted.

4. The penalties imposed by this section shall be recoverable with costs, by suit in the name of the college, in its corporate name, and they shall belong to the college for its own use.

Surgeons of the Province of Quebec, before the superior court or circuit court, according to the amount of the penalty which may be imposed, of the county or district where the defendant has his domicile or of the district in which the offense was committed and the procedures so brought are regulated by the provisions of the code of civil procedure on summary matters. The penalties can also be reclaimed by appeal before a justice of the peace.

5. If the proof is sufficient, the court shall condemn the defendant to pay the penalties mentioned above with costs, within a delay which it shall specify, and to imprisonment for sixty days in the common gaol of the district if he fails to satisfy the judgment within such delay.

The warrant of imprisonment in such case shall issue under the signature of the clerk of the court, on the written application of the attorney for the prosecutor, and may be drawn up mutatis mutandis according to form 41, in part XXV of the Criminal Code, and executed in the ordinary manner.

4972. Independently of the damages that may result to the parties, every physician who has been suspended or dismissed and exposes a sign or anything else calculated to conceal his suspension or dismissal from the public or who practices medicine, surgery or midwifery, shall incur a penalty of $100 for each offense.

4973. Every fine or penalty imposed by articles 4002ss shall be sued for and recovered by the registrar, in the name of the college, with the previous authorization of the Provincial Medical Board or of its chairman, before any competent civil court.

If the registrar is the person to be sued, the president shall act as ex officio in the name of the Provincial Medical Board.

4974. The President of the college may, if he thinks proper, authorize, appoint and constitute by an order signed by him, any person whom he may select, other than the registrar, to take proceedings against anybody who is suspected of having infringed any of the provisions of this section.

Sec. 40. Sec. 42. The council or executive committee may demand if they see fit to do so from any party or parties requesting an investigation before undertaking same a reasonable amount as a deposit to cover the costs and expenses of such investigation and in case the investigation establishes the fact that the complaint was frivolous or vexatious such deposit may be applied to cover the expenses of same, otherwise the deposit shall be returned to the party or parties making it.

Sec. 43. The council may order to be paid out of the funds at their disposal such costs as may to them seem just to any person against whom any complaint has been made which when finally determined is found to be frivolous and vexatious.

Sec 44. When the name of any member is erased from the register by the direction of the council the name of that person shall not be again entered on the register except by direction of the council or by an order of a judge of the supreme court.

Sec. 45. If the council think fit in any case they may direct the registrar to restore to the register any name or entry erased therefrom either without fee or on payment of such fee not exceeding the registration fee as the council may fix and the registrar shall restore the same accordingly.

Sec. 47. Every meeting of such committees held for the purpose of investigating any charge or complaint shall be held at such time and place as in their opinion is deemed most convenient for all parties concerned.

Sec. 48.
